5 It's a beautiful old building.
Dear Eva,
I'm in San Francisco. I'm on holiday with my friend Mark.
San Francisco is a beautiful city, but the buildings aren't very old. The people are very friendly and the food is fantastic (and very cheap!).
Our hotel is near the centre of the city. It's very modern and cheap, but it isn't very comfortable.
The weather is very hot. We go to the beach every day. I love swimming in the Pacific Ocean!
See you soon.
Love,
Tom

We live in a small, old house in Brighton. It has two bedrooms, a living room, a dining room, a kitchen – and there’s a bathroom, of course!

In the living room there are two armchairs and a sofa. We also have a television, a video recorder, and a CD player. On the wall there are two pictures. It’s a very comfortable room, and in the evening we sit and watch television or listen to music.

In the dining room there is a table and four chairs. There are a lot of photographs of our families on the walls. The kitchen is new. We have breakfast in the kitchen, but we have lunch and dinner in the dining room.

Dear Carol,
We're having a great time in Albufeira. We're sitting in a café near the beach. Paul's reading the newspaper and I'm writing this postcard to you! The sun's shining and it's really hot.

We come to Portugal every summer. We usually stay with my friends Ana and Ze, but this year we're in a hotel because Ana's parents are staying with them.

The beaches here are fantastic. We go swimming every morning. Did you enjoy your holiday in America?

See you soon.

Where's our car!?  

Last Saturday John and Vanessa Smith visited Amsterdam. They went by car. They left their car in a street near a canal. Then they went sightseeing. At four o'clock they decided to go back to their car. But where was it? They forgot the name of the street! They looked for the car for four hours and then went to the police.

'We can't find our car,' said Mr Smith to the police officer.
'Where did you leave it?' asked the officer.
'Er ... near a canal, I think,' said Mr Smith.
'But there are lots of canals in Amsterdam, Mr Smith ...'

Mr and Mrs Smith stayed in Amsterdam for five days, but they didn't find their car. On Wednesday they caught the plane back to London. A week later the police in Amsterdam phoned the Smiths.
'We found your car today,' the officer said. 'Would you like to collect it?'
