activity book for children

Christopher Clark

Oxford English

abc
There is a school on Park Road. It is between the park and Book Road.
There is a big supermarket on Windmill Road. It is opposite the pool and the shoe store.

There is a hotel on Park Road. It is next to the hospital.
There is a bus stop on Windmill Road. It is opposite the station.
There is a book store on White Street. It is next to the little bank.

Draw these stores on the map:

PET STORE

BIKE STORE

next to  between  opposite
Yes, there is.  No, there isn’t.

Is there a toy store near your school?  
Is there a station near your school?  
Is there a police station near your school?  
Is there a park near your house?  
Is there a river near your house?  
Is there a river near your teacher’s house?  
Is there a bank near your teacher’s house?  
Is there an ice cream store near your school?

CAN YOU READ?

Terry's favorite program is Martian Mike. Martian Mike is from outer space.

He has a big round head and a long straight neck. He has two big eyes and a funny little mouth. He doesn't have a nose or any ears, but he has a short antenna on the top of his head.

He has a little body and three short curly legs. He has a long thin arm. His body is light green and his head, arm, neck and legs are yellow. He eats ants and bees. He doesn't drink anything.

Draw your own Martian.

My Martian has ____________________________
