Once in your life, you'll find her
Someone who turns your heart around
And next thing you know
You're closin' down the town
Wake up and she's still with you
Even though you left her way across town
You're wonderin' to yourself
Hey, what've I found?

Chorus:
When you get caught between the moon and New York City
I know it's crazy, but it's true
If you get caught between the moon and New York City
The best that you can do
The best that you can do is fall in love

Arthur, he does what he pleases
All of his life, his master's toys
And deep in his heart
He's just, he's just a boy
Livin' his life one day at a time
He's showing himself a really good time
He's laughin' about the way
They want him to be

(Repeat Chorus)

If I got down on my knees and I pledged it with you
If I cross a million oceans just to be with you
Would you ever let me down?

* If I climb the highest mountain just to hold you tight
If I said that I would love you every single night
Would you ever let me down?

Well I'm sorry, if it's some kind to bear, just then
Worried, so worried that you'd let me down
Because I love you, love you, love you
So don't let me down

If I swam the longest river just to call your name
If I said the way I feel for you would never change
Would you ever fool around?

Well I'm sorry, if it's some kind to bear, just then
Worried, I'm so worried that you'd let me down
Because I love you, love you, love you
So don't let me down

Because I love you, love you

I fell in love with you watching Casablanca
Back row in the drive-in show
In the flickering light
Popcorn and Coke beneath the stars
Became champagne and caviar
Making love on a hot summer’s night

I thought you fell in love with me watching Casablanca
Holding hands ‘neath the paddle fan in Rick’s candle lit cafe
Hiding in the shadows from the spots
Moroccan moonlight in your eyes
Making magic at the movies in my old Chevrolet

Ooh a kiss is still a kiss in Casablanca
A kiss is still a kiss without your sigh
Please come back to me in Casablanca
I love you more each day as time goes by

I guess there’s many broken hearts in Casablanca
You know I’ve never really been there so I don’t know
I guess our love story will never be seen
On the big wide silver screen
But it hurts just as bad when I had to watch you go

Ooh a kiss is still a kiss in Casablanca
A kiss is still a kiss without your sigh
Please come back to me in Casablanca
I love you more and more each day as time goes by
I love you more and more each day as time goes by.
When you were born into this world
your mom and dad saw a dream unfurled
A dream come true, the answer to their pray'r
You were to them a special child
You gave 'em joy every time you smiled
Each time you cried
They're at your side to care

(Chorus)
Child, you don't know you'll never know
How far they'd go to give you
All their love they can give
To see you through and go it through
They'd die for you if they must see you live

(Repeat Chorus)
And now that your path has gone astray
Child, you don't know what to do or say
You're so alone no friends are out your side
And child as you now break down in tears
Let them drive away your fears
Where must you go
Their arms stray open wide

(Repeat Chorus twice)

How many seasons came and went
So many years have now been spent
Time ran fast and now at last you're strong
Now what has gotten over you
You seem to hate what your parents do
Speak out your mind
Why do you find them wrong
Every Breath You Take

Ev'ry breath you take, and ev'ry move you make
Ev'ry bond you break, ev'ry step you take, I'll be watching you
Ev'ry single day, ev'ry word you say
Ev'ry game you play, ev'ry night you stay, I'll be watching you
Oh can't you see that you belong to me
My poor heart aches with ev'ry step you take
Ev'ry move you make, and ev'ry vow you break
Ev'ry smile you fake, ev'ry claim you stake, I'll be watching you
Since you've gone — I've been lost without a trace
I dream at night, I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying baby, baby please
Ev'ry move you make, ev'ry step you take, I'll be watching you
I'll be watching you

Ev'ry breath you take, ev'ry move you make
Ev'ry bond you break, ev'ry step you take, I'll be watching
Ev'ry single day, ev'ry word you say
Ev'ry game you play, ev'ry night you stay, I'll be watching
Ev'ry move you make, ev'ry vow you break
Ev'ry smile you fake, ev'ry claim you stake, I'll be watching

I am sailing, I am sailing
Home again 'cross the sea
I am sailing, stormy waters
To be near you, to be free
I am flying, I am flying
Like a bird 'cross the sky
I am flying passing high clouds
To be with you, to be free

* Can you hear me, can you hear me
Through the dark night far away
I am dying forever crying
To be with you who can say

(Repeat *)

We are sailing, we are sailing
Home again 'cross the sea
We are sailing stormy waters
Oh, Lord, to be near you, to be free

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God, I know I'm one

My mother was a tailor
Sewn my new blue jeans
My father was a gamblin' man
Down in New Orleans

Now the only thing a gambler needs
Is a suitcase and a trunk
And the only time he'll be satisfied
Is when he's all a drunk

Oh, mother, tell your children
Not to do what I have done
Spend your lives in sin and misery
In the house of the Rising Sun

Well I've got one foot on the platform
The other foot on the train
I'm going back to New Orleans
To wear that ball and chain

(Repeat Verse 1)
Life is a moment in space
When the dream is gone, it’s a lonelier place
I kiss the morning goodbye
But down inside you know we never know why
The road is narrow and long
When eyes meet eyes, and the feeling is strong
I turn away from the wall
I stumble and fall, but I give you it all

* I am a woman in love
And I’d do anything to get you into my world
And hold you within
It’s a right I defend over and over again
What do I do

With you eternally mine
In love there is no measure of time
We planned it all at the start
That you and I live in each other’s heart
We may be oceans away
You feel my love, I hear what you say
No truth is ever a lie
I stumble and fall, but I give you it all

(Repeat *)

Yes I’m a woman in love, and I’m talkin’ to you
You know I know how you feel
What a woman can do
It’s a right I defend over and over again
I am a woman in love and I’ll do anything
To get you into my world and hold you within
It’s a right I defend over and over again...........fade
