I like to sit beside the fire when the light is going down. I like to walk around in dreams at night and play with kings and queens ’til the morning light. I have so heard the wild wind blow outside my door. I wake up in the morning unaware.

DREAMER

Words and Music by Joey Tempest

1. He is down by the river side, late one night
2. All alone by the river side, and time passes by

He's tryin' to count the stars in each of the sings
Gathering thoughts of the past and may-be he'll cry

So they say he's a mad man and (he) don't understand
All those years he has suffered, my friends all those years of pain
