Notes:

Stitch your favourite motif onto a patch and attach to a homemade Christmas stocking to hang by the chimney for Santa.

Sew your favourite motif onto a fabric gift bag for an extra special way to give small presents and sweets.

Add a strand of metallic thread to one or two of the colours to add a touch of sparkle to your Xmas designs.

Stitch the same motif twice on perforated paper, stick back to back and attach some ribbon, for decorations that really stand out.

Decorate your cards with gold stars or rubber stamps.

Add a seasonal greeting to the front or inside of your Christmas card using some self-adhesive stickers.

Stitch your design twice on fabric. Sew the two pieces together then stuff with wadding for a fab tree decoration.

Some of the smaller motifs will look great on a cake band. Choose an aida band with a festive silver trim.

Add a sparkle - stitch special Christmas messages to your cards, worked in coloured metallic thread.

Use bright threads and rich fabrics to add a real seasonal cheer to your designs.

Try stitching your motif onto lurex aida. This is the same as normal aida but with gold or silver thread running through.

Some of these designs will look great stitched on dark blue fabric and mounted in a gold or silver card.

Make your snowman sparkle by adding a strand of pearl blending filament to the white cotton.
