WELCOME TO THIS DAY

Music and Lyrics by

Moderately fast

[Music notation]

Waking up in the light
clear of a shiny new day,
giving thanks to the

moon hear when you
find your own voice. Oh, my
no greater gift to the soul
brothers and sisters, believe
than each you are

breath that my body can hold,
just what you are meant to be.
So, Oh, Great

Spirit, hear my song
today.
Welcome, magic,

Welcome, sweet sunny day.

Love is no secret; look all around you.

Welcome to this day.
Love is no secret,
look all around you. Welcome to this day.
Welcome, day.

What I feel right now's not the same as yes-ter-day.
Knowing I can face the things that used to seem too hard.

I didn't know I wanted might be everything I need.

Book: So many things I've been missing, not watching, but

that was all in the past. Now I realize there's so much more to learn: I'm ready for the
world, not scared of letting go. Now I realize there's so much more to feel. My heart knows it's real. The part of me so long forgotten is calling, and this feels like home.
home, feels just like home, home.

Female: (Feels just like home.)

Male: Right from the start we’re friends for ever.

Female: Somehow we’re meant to be together.
Both: I feel like you've shown me how to find my way home.
