A Bug, a Bear, and a Boy
And the Bath

by David McPhail
The Boy sits in the bath. He has a boat.
The Bug sits on the boat.

The Bear is too big to sit in the bath. The Bear is too big to sit on the boat. He sits on the floor.
The Bear blows the boat.

He makes waves, too. The waves are too big.
The boat tips over.  
The Boy saves the Bug.

The Bear saves the boat.
Then they all blow bubbles.
