when somebody loved me

everything was beautiful

every hour we spent together

lives within my heart

And when she was sad
I was there to dry her tears and when she was happy so was I when she loved me through the summer and the fall we had each other that was all just she and I together like it was meant to be and when she was lonely I was there to comfort her and I knew that she loved me
so the years went by I stayed the same and she began to drift away I was left alone still I waited for the day when she'd say I will always love you lonely and forgotten who would think she'd look my way she smiled at me and held me just like she used to do when she loved me, when she loved me
when somebody loved me  everything was beautiful

every hour we spent together lives within my heart when she loved me.

YOU’VE GOT TO HIDE YOUR LOVE AWAY

Words and Music by JOHN LENNON and PAUL McCARTNEY

Moderato

Here I stand with head in hand, 
How can I even try? 
I can never win,

If she’s gone, I can’t go on 
Hearing them, seeing them 
In the state I’m in,

Ev’rywhere people stare 
How could she say to me, “Love will find a way?”

I can see them laugh at me._ And I hear them say._
Gather 'round, all you clowns._ Let me hear you say._

"Hey, you've got to hide your love away!"

1. "Hey, you've got to hide your love away!"

2. Repeat and fade out

"Hey, you've got to hide your love away!"
