Dad drove us to our new house. It was a big house in the countryside. Mum went in and shouted, 'Jack come and see your new bedroom.' I ran upstairs. My room was at the top of the house. I looked out of the window and saw a field with sheep and cows in it. Then I looked at the house next to ours. It had a swimming pool and there was a boy in it - my new friend!

7 Dad drove to the new house in ................................ .
8 Jack .............................. to see his new bedroom.
9 Jack looked out of his bedroom window ............................ of the house.

Maps

Example Different maps tell us different things. A map of the world can teach us about different places. A road map shows us how we can go from one place to another.

1 also shows the towns and villages where
2 people live. You can see where the station is a town and where the mountains are. Lakes and rivers are
3 coloured blue and you see green on a map, that means you can find trees there. Then you can learn to
4 draw maps. They can tell your friends your
5 house is. Or you could hide in the house or garden and make a treasure map. Maps can be very exciting!

Example tell telling told
1 He It They
2 in on next
3 why which when
4 how where what
5 sometimes something nothing
