Notes:

- This pattern can be made in #3/dk/8ply yarn or #4/Aran/10ply yarn
- Starting chain of each row counts as a stitch
- For best results and a lot less frustration, sew in ends as you go
- When finishing a colour, after slip stitching, I secure with a chain and pull tight
- It is optional, but recommended to block each square of the pattern once complete

Materials:

8ply/dk/#3 weight yarn – 4mm/G hook

OR 10ply/Aran/#4 weight yarn – 5mm/H hook

Needle to sew in ends

Scissors

Size:

Sew in all ends and block square (I use the wet blocking method for wool/natural fibre yarn by soaking item in water for around 30mins or until yarn is fully soaked. Gently squeeze, then roll out in a towel, squeezing excess water out. Lay on foam mat or blocking board and measure and pin accordingly)
