About this book

Word Games With English is a series of 3 books of carefully graded language activities designed to stimulate learners to practise, activate and extend their English vocabulary.

Pedagogical Basis
- Book 1, for beginners and post-beginners, is closely based on the vocabulary designated by the Council of Europe for Waystage level. This represents the first stage of a two-stage learning process resulting in a basic general foreign language ability (Threshold level, covered by Book 2 in this series).
- A number of words have also been added from grades 1 and 2 of the Cambridge English Lexicon (R. Hindmarsh), based on 4 major frequency counts.
- There are 700 lexical items in this book, allowing the learner to 'survive' in an English-speaking context and providing a solid basis for further study.

Presentation
- The vocabulary concentrates on the most essential topic areas: personal and family/house and home/free time and entertainment/travel/health/places/shopping etc.
- Each page is highly visual with the words contextualised and their meanings made clear by the illustrations.
- Each game makes demands on the learner's intelligence and imagination and calls for active participation.
- There is built-in revision and recycling of certain lexical items in different contexts.
- The book is suitable for teaching and testing, for class and group work and for varied further exploitation.
- There is a full answer key and word list enabling the book to be used also for self-study and revision.
How to use this book

1. Read what to do carefully.

2. Write your answers on a piece of paper or in the book.

3. Look at the back of the book for the answers.

There is also a list of words at the end of the book for your reference.

Margaret walked to eight places in this town—first Number 1, then Number 2, etc. Look at the map and show the way she went.

For example:

1 Hotel
2 Restaurant
3 Bank
4 Church
5 Camping Site
6 Police Station
7 Café
8 Park
TOP SECRET

00001 is a spy.
Read his secret message.

For example:

Go by TRAIN and foot.
There's a message on the __ at the _____. Then go to the ___ by ___.
Go by ____, and ___. Tom is waiting for you.

But where is Tom waiting? Look at the message again.

Psst! Look at the first letters again.
