About this book

- *Word Games With English Plus* is the fourth book in the *Word Games With English* series. It is designed to stimulate upper-intermediate learners to practise, activate and extend their English vocabulary.

Pedagogical Basis

- *Word Games With English Plus* corresponds to the standard demanded for the University of Cambridge First Certificate in English, where students are expected to have a good level of general English vocabulary in the 4000 to 5000 word range.
- The words have been taken from the *Cambridge English Lexicon* (R. Hindmarsh) at levels 4 and 5, from First Certificate in English examination papers and from the most widely-used English as a Foreign Language textbooks. Extensive use has been made of authentic materials, such as travel brochures, information booklets and newspapers, and patterns of use have been checked in a wide variety of modern dictionaries.
- *Word Games With English Plus* can be used to complement any course at this level, filling lexical gaps and providing further practice.
- Learners are also prepared for the type of vocabulary and the kind of language manipulation that are required for the First Certificate in English examination.

Presentation

- The vocabulary illustrates a wide variety of topic areas and semantic fields: travel and holidays, the media, leisure activities, tools and appliances, finance etc.
- The games develop an awareness of different language forms: phrasal verbs, compounds, prefixes and suffixes, homonyms, homophones etc.
- Special practice has been given in collocation, lexical choice and appropriacy as these are a major source of error at this level.
- There is a wide variety of activities: matching, selecting, labelling, cloze testing etc to encourage students to think in English.
- The book is suitable for adults and teenagers, for individual or group work, and for varied further exploitation by the teacher, who can use it in class or for homework.
- There is a full answer key and word list, enabling the book to be used for self-study and revision.
To do all the games in this book, you will have to use the English words you know and learn many more. Read the instructions carefully before you start each game. Study the example and make sure you understand what you have to do — matching words, inserting words into spaces, finding the missing words etc.

Write your answers in the book if there is room or on a piece of paper. Some of the games may take quite a long time, so do not give up too easily. Try to find the answers you do not know by looking at the context, the other words in the game and the letters needed. The Word List at the back of the book contains all the words used in the games and is there to help you. Use it to give you ideas and guide you towards the correct solution.

When you have done all you can, refer to the answer key to check and correct your work. Keep the book as a record when it is completed and as a check list of words you should know.

And you can always rub out the answers and start again!

Food for Thought

A busy restaurant serves the following: MEAT, FISH, VEGETABLE CURRY, SAUCES, BREAD, FRUIT, WINE and COFFEE.

If you heard these complaints from diners, what would they be talking about?

For example:
1 BREAD

1 It's awfully stale.
2 It's extremely tough.
3 It's rather lumpy.
4 It's very bitter.
5 It's horribly bony.
6 It's much too spicy.
7 It's too dry.
8 It's not ripe enough.

Now choose from the adjectives below to describe the following in different ways:
(some of the adjectives can be used more than once)

For example:

<table>
<thead>
<tr>
<th>a cup of tea</th>
<th>a type of cheese</th>
<th>a glass of lemonade</th>
</tr>

<tbody>

<td>1 strong</td>

For example: 1 box
(4 kinds of box: signal box, window box, fuse box and witness box)
Word Perfect

These pairs of words are often confused. Look at the pictures and choose the correct word.

For example:

1. date/appointment
2. lose/loose
3. advertisement/warning
4. line/row

5. Best Wishes from Brighton
6. FACTORY
7. Silence-Exam ends at 1130am
8. EMERGENCY
9. souvenir/memory
10. employee/employer
11. pass/take
12. advice/information

90°

13. interruption/interval
14. win/earn
15. angel/angle
16. sensitive/sensible

17. melt/dissolve
18. economic/economical
19. clothes/cloths
20. quite/quiet

Now use 4 of the incorrect words to describe the 4 pictures below.
On these T.V. screens, you can see excerpts from an evening’s viewing on several different channels. The titles of the programmes watched by Adrian and by Elizabeth will enable you to identify what each of them saw. Match the screens to the titles then number the screens accordingly. Then look at the group of words on the page opposite. All these words are connected with T.V.

For example:
TV Tonight?

ADRIAN watched the following programmes: 1 The World Tonight: An Up-to-the-Minute Report 2 Is it Really a Bargain? Two Teams of Antiques Experts Compete. 3 Top of the Pops—This Week's Best-Selling Singles. 4 Use Your Vote Wisely. A Message from the Leader of the Opposition. 5 Wish on a Star: A Galaxy of Top Entertainers. 6 The Masked Raiders' Revenge: Will give you Nightmares! Don't watch alone!

ELIZABETH watched the following programmes: 7 The Open University Foundation Course. 8 Athletics: Highlights from the Qualifying Rounds. 9 Never a Dull Moment with Desmond the Duck: Fun for Young and Old. 10 The European Economic Community: A Closer Look. 11 I.Q. Challenge: Beat the Clock to Win the Jackpot. 12 Evening Worship: Prayers and Thanksgiving.

First cross out the 12 words or expressions which describe the 12 different types of programme you have just identified on the previous page. Then cross out:

5 people who appear on the screen
4 people who work behind the scenes
3 parts of a television
2 slang words for television
Take 1 letter from each word in the lists below to find 12 popular leisure activities and interests that people enjoy in their spare time. The words in the lists are all connected to each activity.
The same 12 words are also hidden in the word square below. Use this to give you ideas and to check your answers.

For example:

3 shape decoration earthenware craft wheel fire clay
4 pointed aim score throw pubs
5 championship check mate bishop castle

The words are horizontal , vertical , or diagonal 

For example:

```

Treasure Hunt

Treasure is buried somewhere in this garden. It is NOT buried in any of the squares containing the things below (1–15). Write the letter of each of these squares in the boxes and then cross them out on the picture. This will tell you what the treasure is and you’ll find it in the square that is left.

For example:

1 stable
2 kennel
3 flower beds
4 barn
5 bushes
6 birdbath
7 toolshed
8 rake
9 well
10 haystack
11 pond
12 greenhouse
13 it’s not in a square along the path
14 or beside the fence
15 and it’s not on or under the benches
Play a game of dominoes with words instead of numbers to find 17 objects from a kitchen. If you play correctly you'll use all the dominoes.

For example:
The Animal Kingdom

Look at all the living creatures and classify them according to one of their features. The letter spaces and their position will help you. Then match the animals’ names with the pictures.

For example:

V = 1 CRAB
N = 2 LEOPARD

For example:

10

For example:

15

For example:

23
All the answers to this puzzle are connected with crime and justice. Find each word by adding (when you see the symbol +) and taking away (when you see the symbol −) the letters shown beside each picture. Occasionally you may have to change the letter order as well.

For example: the answer to number 1 is jail (\[
\begin{align*}

\end{align*}
\])

\[

It's Ruben's first day working for SUPER TRIPS Travel Agency. In order to answer the points raised in this letter from a dissatisfied customer, which sections of the SUPER TRIPS FAIR TRADING AGREEMENT does he need to consult?

For example:

See No. 5 complaints

…the swimming pool was terribly dirty and I slipped on the steps and now can't use my right thumb. The return flight was changed at the last minute, so I missed my connection and you gave me an aisle seat when I wanted to be beside the window. And when I opened my case at home, all my glass souvenirs were broken...
In the afternoon, he has to deal with lots of different queries. Where will he find the answers?

For example: A = 4 and 23 Cancellation

- HOW WILL GRANNY MANAGE THE STAIRS?
- CAN I TAKE SNOWY? SHE WON'T BARK
- WHAT HAPPENS IF I BREAK A LEG BEFORE I LEAVE

1. Break out is to escape (e.g. from prison)
Gatwick Airport, 35 miles south of London, is the fourth largest in the world. To help you to be able to find your way around an international airport make sure you can put the following words and expressions into 6 groups.

For example: wheelchair users = 6 (facilities at the airport)

wheelchair users □ beverages □ coinless cardphones □ real ale □
allowances □ gate numbers □ free trolleys □ chapel □
x-ray machines □ pastries □ security search □ red channel □
landing card □ take-away □ brand names □ A3 trunk road □
reclaiming V.A.T. □ fully sign-posted □ boarding card □ check-in □

The police are waiting on the second floor of Gatwick Airport terminal for Mr X who is strongly suspected of carrying a parcel containing secret documents. First read the policeman’s notes on the page opposite and trace Mr X’s route on the plan. When the police stopped Mr X the parcel he was carrying was empty. So what do you think happened to the secret documents? Work it out alone or with a partner, then compare your ideas with the solution in the answers.

If you are correct, the final balance will show the age of majority in Britain. Each of these short extracts refers to one of the items on the account. Can you match them?

For example: extract 1 refers to the item Charity Donation

The Bank will normally send a monthly statement to the Principal Cardholder who will pay within 25 days following the statement, not less than 5% of the amount shown. The Cardholder will also pay immediately any outstanding excess over the Credit Limit.

If, on the other hand, the waiting list is less than 8 weeks, our plan will pay you £22 for every night you stay in an NHS hospital. You can use this money as you wish.

On the Road

There are many specialized words connected with roads and transport. Read the clues and cross out the correct word or words on the road each time.

A WHAT IS IT?
For example:
1 It's under your right foot. (brake)
2 A problem when it's flat.
3 Part of a car also worn on the foot.
4 Something horrible to find on your windscreen.
5 Where you carry a bike on a car.
6 The fifth tyre.
7 Part of a car also found on the head of a rhinoceros.

B DOUBLES
Find the second part:
8 traffic ____________
9 windscreen ____________
10 number ____________
11 steering ____________
12 zebra ____________
13 dual ____________
14 head ____________
15 exhaust ____________

C ROAD SIGNS
Identify these road signs:

16 17 18 19 20 21 22 23

lights steep hill downwards horn no overtaking
no through road pipe parking ticket
highway plate unc
start of motorway tyre carriageway
brake uneven road no motor vehicles spare tyre
code boot roof-rack crossing

warden side road

So now you should be left with 8 words. If you are clever you'll see that these words are all parts of vehicles!
Here are 16 compound adjectives with the two parts mixed up. The pictures illustrate 16 nouns with which they are frequently associated.

Start with the picture, match it with the noun from column C and then choose the correct adjective, taking the first part from column A and the second part from column B.
