Welcome!

A warm welcome to this new Family Criss Cross Jumbo – we hope you find it both entertaining and challenging!

Standard criss crosses are easy to solve – the words are listed according to their number of letters to help you, and you’ll need to look at how the words cross in the grid to work out where the answers go.

There’s also lots of variety – tackle our 'Numbercross' theme and also keep an eye out for our 'Double cross' grids! Do send us your thoughts on our various puzzles – we value your input and contact details can be found below.

We have a fantastic £2,500 cash competition too – see page 13. Until the next issue, happy criss crossing!
