ENGLISH WITH CROSSWORDS

3 Advanced
The first two volumes of ENGLISH with CROSSWORDS created a lot of interest in schools throughout the world. Following this enthusiastic reception, we are pleased to announce this third volume in the series.

As in the other two volumes, the main aim of the book is to provide a way of learning vocabulary which, apart from being informative, is also enjoyable and entertaining. Students of all ages can now learn new words through games and images.

The team of mother tongue teachers responsible for the other two books in the series has chosen 14 new subjects which contain 20 words each. All the words are illustrated on the page preceding the crosswords.

The first page of crosswords in each unit concentrates on 10 words drawn from the main subject. With the help of the illustrations, the student can insert the words in the right spaces.

The second page relates to the other ten words included in the unit.

The third page takes five words from the first page and five from the second.

The fourth page features the remaining five words from pages 1 and 2.

In the fifth and final crossword of each unit, all the words are included and the student will find that in completing the first four pages, he or she will have memorised the 20 words and will be able to fill in the final crosswords without too much difficulty.

Teachers will find that ENGLISH with CROSSWORDS 3 Advanced can be used to check or increase the students' level of vocabulary. The crosswords can also be used as an enjoyable homework exercise. Lastly, during summer holidays they provide an entertaining way of revising and maintaining contact with English.
TREES AND PLANTS

- trunk
- branch
- leaves
- flower
- roots
- chestnut
- pine
- cypress
- fir
- apple tree
- cherry tree
- poplar
- weeping willow
