Colours

Read the words and colour the picture.

I am green and red.

My hat is black and my hair is red. My clothes are purple. My shoes are brown.

The sea is turquoise, the beach is yellow. The sky is blue with grey clouds.

My hat is red and my clothes are blue and white.

The map is blue and yellow.

I am pink.

My favourite colour

My favourite colour is: [Blank]

Here is my favourite colour: [Blank]
Chase the Cheetah!

How fast can a cheetah run?

Colour the numbers from seven to ten.
Colour the numbers from twelve to twenty-three.
Colour the numbers from twenty-five to thirty-one.
Colour all the numbers over thirty-three.

Now add all the other numbers together.

Write:

A cheetah can run at .......... km per hour.

Make a Word

1. five + crash = a fish
2. _ _ eat Britain + que = _ _ _ _
3. _ gg + n _ _ _ = _ _ _ _
4. _ _ w + _ _rella = a _ _ _
5. _ _ _ _ den + p _ _ = a _ _ _
The Colour Circle

1. How many colours can you find?

Write: 1. red  
   2. ........................................
   ........................................
   ........................................
   ........................................
   ........................................
   ........................................
   ........................................
   ........................................
   ........................................
   ........................................

2. Fill the spaces with names of colours or the words darker or lighter.

1. Grey is ..................................... than ................................... but it’s ..................................... than black.

2. Pink is ..................................... than red but it’s ..................................... than white.

3. Orange is ................................... than brown but it’s ..................................... than yellow.

4. Cream is ................................... than white but it’s ..................................... than yellow.

5. You mix ................................... and ..................................... to make green.

6. You mix ................................... and red to make orange. You mix red and ..................................... to make pink.
How many cats can you find?
Numbers and Colours

Can you find the numbers from 1-12 in this puzzle?
The words can go

X M O Q T W F I C E
R B N L U J V O X T L
P E I G H T P M W R O
K D N B I H C N U M W
H O E U M Y O E S L
F N C L P X Q F R T E
R S E I E T I N D H V
U T G V S V R S F R L
O P I M E F E K B E E
F N Y I J S T N D E W
W L E F O S N G E L T

Can you work out this puzzle?

Add up the numbers in shapes next to each other and you get the number in the square above. Fill in all the numbers and colour this picture using the number code.

black
brown
green
red
orange
yellow
light-blue
blue
purple
pink

8 + ? = 14
Find the Treasure

SECRET CODE BOOK

one = A    ten = I
three = O  eleven = N
four = D   twelve = E
five = B   thirteen = R
seven = S  fourteen = T
eight = H  fifteen = W
nine = U

14-8-12  14-13-12-1-7-9-13-12  10-7
9-11-4-12-13  14-8-12  5-3-1-14
5-12-14-15-12-12-11  14-8-12
14-13-12-12-7

Where is the treasure?
Write the answer here:

...................................................................................................................................................................................
...................................................................................................................................................................................
...................................................................................................................................................................................
...................................................................................................................................................................................
...................................................................................................................................................................................
...................................................................................................................................................................................
...................................................................................................................................................................................

and draw an arrow on the picture.
Weekend Plans

1. Let’s go

Subtract 6 from each of these numbers:
33, 51, 28, 30, 30, 28, 35, 81

2. How about going

Add 7 to each of the numbers
42, 12, 42, 35, 15, 22, 68

3. What about going

Divide each of these numbers by 2
54, 34, 74, 88, 88, 44, 58, 150

4. Why don’t we watch a

Subtract 11 from these numbers
72, 33, 80, 22, 48

5. Let’s play

Add 9 to these numbers
29, 28, 28, 53, 23, 9, 33, 33

6. Why don’t we go to the

Divide these numbers by 2
88, 36, 102, 26

What do all these people want to do at the weekend? Can you do this puzzle? Work out the maths and find the right letters on the wheel. Can you spell the words?
The Mystery Ship

This is a famous English ship. It is in Portsmouth. What is it called? Find the letters with the pictures.

---
cat     eight      ship
---
teapot  chair      photo      pizza
---
mountains  three      sea      house

---
T L H S P E

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

12
The Mystery Picture

Colour the weather words BROWN.
Colour the months of the year WHITE.

Colour the school subjects RED.
Colour the seasons BLACK.

Write here. The mystery picture is a __________________________
Name the Days

Do you know the days of the week in English? Can you fit them into the grid?

Name the Animals

Name the animals and do the puzzle.
There is a message for a special day in the year. Which day, and what is the date?
The day is ________________________.
It’s on ________________________.
The Pyramid Joke

Look at the pyramid. When you add up the numbers in two bricks that are next to each other, you get the number in the brick above them. Fill in all the numbers. Then find out what the joke is.

= four

= three

= seven

...
Find the Dogs

Can you find the dogs?
Match the people to the dogs.
Families

Read this and write the names in the spaces.
Mary is taller than Sue. Sue is next to Emily. Emily is older than David but not as old
as Mary. Joe is between Mary and David. Molly is in front of Emily. Cathy is behind Felix and
next to Robert. Cathy is the oldest. David is the youngest.

A = ___________________ D = ___________________ G = ___________________
B = ___________________ E = ___________________ H = ___________________
C = ___________________ F = ___________________ I = ___________________

Now colour them.

Joe’s wearing a red jumper and blue trousers.
Cathy’s wearing a blue dress, a green hat and a yellow scarf.
Mary’s wearing a green jumper and black trousers.
Sue’s wearing orange trousers and a yellow shirt.
Robert’s wearing a brown jacket, a white shirt and green trousers.
Emily’s wearing a white T-shirt and purple shorts.
David’s wearing a blue T-shirt and brown trousers.
Felix is black and white. Molly’s grey.

Now draw Luke’s family tree and put the right words in the spaces.

mother father brother sister grandmother grandfather

grandfather: Joe ___________________

|______________________________|______________________________|
|______________________________|______________________________|
1. Wilma’s father is called Willie the Wizard.

2. Wilma’s grandmother (Vanessa the Vampire) is married to Victor the Vampire.

3. Godfrey the Ghost and his wife Gertrude are Willie’s grandparents.

4. Wendy the Witch is Wilma’s mother.

5. Walter the Wizard is Willie’s brother.

6. Gertrude the Ghost’s two daughters are called Veronica the Vampire and Vanessa the Vampire.

7. Victor the Vampire is Vanessa’s husband.

8. Victor and Vanessa’s daughter is called Victoria the Vampire. She is Walter and Willie’s sister.

9. Gordon the Ghost is Graham’s son.

10. Gary the Ghost is Gordon’s brother.

11. Graham the Ghost is Gordon and Gary’s father.

12. Gordon, Gary and their sister Griselda are Wilma’s three cousins.
Hobbies

These people are talking about their hobbies. Find two things which belong to each person.

1. At the weekend I like playing tennis. When it’s raining, I like listening to pop music.
2. I like reading in my bedroom. I also like playing the clarinet and I play in the school orchestra.
3. I like skiing but my favourite hobby is playing computer games.
4. My favourite hobby is painting and I like rollerblading too.

There are four things which don’t belong to anyone. What are they?
Animal Puzzle

How much do you know about these animals? Answer true or false and follow the arrows to get to the end. The letters spell the names of two more animals.

- The giraffe is the shortest animal.
- Dolphins are bigger than whales.
- Koala bears are smaller than kangaroos.
- Baby kangaroos are smaller than baby polar bears.
- Cheetahs are faster than leopards.
- Leopards have got bigger spots than giraffes.
- Zebras are bigger than horses.
- Squirrels are smaller than koala bears.
- Kangaroos are faster than leopards.
- Squirrels are more intelligent than dolphins.
- Polar bears are better swimmers than penguins.

The two animals are: ___________________________  ___________________________
The Polar Bear Puzzle

What can the polar bear smell? What is under the ice? How much do you know about polar bears? Write the answers in the grid. The anagrams help you.

1. The mother polar bear makes a hole under the ice for her .... (sibbbe)
2. Polar bears have ... under their feet. (riha)
3. A baby polar bear is ... when it is born. (nibld)
4. A baby polar bear hasn't got ... hair on its body when it is born. (yan)
5. A polar bear can ... at a speed of 10km an hour. (msiw)
6. A polar bear's ... is full of vitamin A. (vleir)
7. Polar bears like to ... Arctic foxes. (tae)
8. Polar bears often ... for up to 33 years. (vile)

The answer is in the shaded part of the grid.

The Ostrich Puzzle

Ostriches lay very big eggs! How long does it take to boil an ostrich egg? Find out!

- Cross out the numbers between six and eleven
- Cross out the letters of the alphabet from H to N and Q to Z
- Cross out the colours. The answer is ________ minutes.
Look at the two pictures of the pet shop and write down the 10 differences.

1. In picture A, a cat is fishing but in picture B a dog is fishing.

In Great Britain dogs and cats are the most popular pets. What do you think is the third most popular pet? Write the first letter of the names of each of these things and you can name the pet.
Things Crossword

Can you find all the missing things? Take the letters from the squares marked X. You can find the thing which you need to help you get to school on time.

ACROSS
1 You can sleep in it. (3)
2 You can wear it on your head. (3)
4 You can drive to town in it. (3)
6 You can fly to America in it. (9)
8 You can cut things with it. (5)
11 You can talk to your friends in other towns with it. (9)
14 You can send a letter with this. (5)
15 You can open a door with this. (3)

DOWN
1 You can cross the river with this. (4)
1 You can drink this in England. (3)
5 You can read it. (4)
7 You can take photos with it. (6)
9 You can wear them on your feet. (5)
10 You can buy things with it. (5)
12 You can see in the dark with it. (4)
13 You can go for a walk in it. (4)

The mystery thing is a ___________
Where’s Ben? Read about the dogs and find him. Write the names by the dogs. What’s Ben doing? Write the answer.

Holly doesn’t like playing with the cat.
Max likes water.
Lucy likes playing the guitar.
Bruno, Jess and Oscar like playing with the Christmas tree angels.
Ellie likes eating bananas.
Lucky and Sophia like playing with the ball.
Barny, Bonny and Benjy like eating pizza.
Cassie likes skiing.
What about Ben?
Ben likes playing with the ________________________
Clothes Rhymes

Do you know how to say the names of all the clothes on the left of the page? Look at the things on the right and find the words to rhyme with each of the clothes, for example, tie and sky.
Picture Crossword

Look at the pictures and write the words in the crossword grid.
Clothes in Space

Write the names of the clothes next to the pictures. Look at the little numbers in the boxes. Put the correct letters from the boxes with numbers in the boxes at the bottom of the page. Learn a new fact about the planet Uranus!
Put the sentences in the bubbles.

It's perfect!
It's too heavy!
It's too expensive!
It's too wide!
It's too old!
It's too big!
It's too tall!
It's too small!
Nature Watch

Look at these pictures for three minutes and then look at page 30.

- a cloud
- the sun
- a mountain
- rain
- a bird
- the sky
- a forest
- a cow
- a tree
- the sea
- a field
- a river
- an apple
- a flower
- a butterfly
- a plant
- a fish
- a seashell

Can you speak 'Calculator'?

Can you understand your calculator when it speaks to you? Enter the number 0.7734 and turn your calculator upside down. What does it say?

Is your calculator happy or sad? Enter the number 334.334 and turn your calculator upside down. What’s the answer?

Your calculator has got an English name. Enter the number 227. Multiply it by 2 and then by 17 and turn your calculator upside down. What’s its name?

Is your calculator rich? What has he got in his pockets? Multiply 3319 by 16, add 600 and turn your calculator upside down to find the answer.
Nature Watch Memory Test

Now answer these questions.

1. How many pictures are there?

2. How many pictures of animals are there?

3. What is under the picture of the sun?

4. What is between the picture of the rain and the picture of the flower?

5. What is under the picture of the cow?

6. Where is the field?

7. What is on the right of the cloud?

8. What is on the left of the seashell?

9. Is the forest on the left or the right of all the pictures?

10. Is the fish at the top or the bottom of all the pictures?

11. Where is the river?

12. Is the sky next to the bird or next to the flower?
The date is 980. The place is Britain. The Vikings are here. Put the right word in each gap to make sentences.

ON       IN       UNDER       BEHIND       NEXT TO       IN
The horse is __________ the tree.       The cup is __________ the stool.
The dog is __________ the river.       The book is __________ the table.
The baby is __________ the fire.       The money is __________ the bag.

Find 5 things beginning with C

1 __________  2 __________  3 __________  4 __________  5 __________

Find 5 things beginning with B

1 __________  2 __________  3 __________  4 __________  5 __________

Now cover the picture and see if you can remember it. Put a mirror in front of the text below to see the questions.

Choose one of these answers:

- socks
- socks
- socks
- socks
- socks

How many pots are there?
How many people are there?
How many animals are there?
What’s the Weather Like?

1. Fill in the months on this calendar.

What’s the weather like in July? It’s ____________________________
What’s the weather like in October? It’s ____________________________
What’s the weather like in March? It’s ____________________________
How do you feel in December? I feel ____________________________

2. Look at these faces. How does he feel? Choose the right word.

SAD TIRED THIRSTY HAPPY HUNGRY

The Party

What is everyone saying?
Find the correct words for each person.

(a) I'm sorry!
(b) Are you taller than me?
(c) Excuse me.
(d) What a pity!
(e) This is too heavy for you.
(f) It doesn’t matter.
(g) Can I help you?
(h) Can you help me please?
Pancake Day

Do you know how to make a pancake?
Look at these 10 instructions.
Put them in the correct order.
Put 1, 2, 3, etc, by the pictures.

1. Toss (throw) the pancake.
2. Beat the eggs.
3. Eat the pancake.
4. Mix the milk and the eggs.
5. You need: 2 eggs, 1.14 litres of milk, 230g flour, 60g butter, a lemon, some sugar, a little salt.
6. Put one spoon of the mixture into the frying-pan.
7. Put some lemon and sugar on the pancake.
8. Add the eggs/milk to the flour/salt.
9. Mix the flour and salt.
Adopt an Animal

All of the animals are in danger. You can adopt an animal and take it home to live with you, but first, you must find out which animal is best for you, your personality and your habits. Do this test to find your ideal animal.

START

I often spend time alone.

I always enjoy parties.

I often play sport.

I often have conversations with people I don’t know.

I’m never frightened.

I always want things my way.

I often get angry.

I often stay up late.

Panda

Camel

Tiger
Personality quiz

Yes

My teacher often tells me off.

My friends often come to me for help.

I usually work hard.

I’m always full of fun ideas.

I am often silly.

I’m a good dancer.

No

I always tell people what I think.
Animal Lovers Quiz

The correct answers spell the names of four farm animals:

1. Which animal runs faster over a short distance?
   - h a puma
   - c a cheetah

2. Which is longer?
   - t a boa
   - o an anaconda

3. Which is smaller?
   - w a baby kangaroo
   - e a baby panda

4. Which is slower?
   - k a tortoise
   - p a snail

5. Which is heavier?
   - i a white rhinoceros
   - i a hippopotamus

6. Which runs faster?
   - r a rhinoceros
   - g an ostrich

7. Which is bigger?
   - b an African elephant
   - s a blue whale

8. Tigers use their ears to hear and
   - h they move their ears to ‘talk’ to one another.
   - l the marks on their ears show which family they come from.
9. How long can a sea lion stay under water?

- 10 minutes
- 30 minutes
- 4 hours

10. Which of these do killer whales eat?

- fish
- penguins
- people

11. How many litres of water can a camel drink in ten minutes?

- 20 litres
- 80 litres
- 121 litres

12. A rhino can

- hear better than it can see.
- see better than it can hear.
- see better than it can smell.

13. An emu attacks things

- with its beak.
- with its wings.
- with its feet.

14. Which lives longer?

- a flamingo
- a penguin

15. Which lives longer?

- a tiger
- a lion

16. Which lives longer?

- a zebra
- a rhinoceros

17. Which lives longer?

- a chimpanzee
- a camel
Big Cats

How much do you know about big cats? Put these words into the text:

bigger shorter smallest longer longest smaller faster
bigger rarer rarest biggest fastest longer

Lions live in families. The males are \textbf{b\underline{}\underline{}\underline{}} than the females and they have \textbf{l\underline{}\underline{}} hair on their heads. This hair is called a mane. Most lions live in southern Africa, but there are some in India. Lions sleep for about 18 hours a day.

Tigers live in forests in Asia, Sumatra and Java. Some tigers are \textbf{b\underline{}\underline{}\underline{}} than lions.

Tigers are rare in the wild because people hunt them for their fur.

Tigers live alone and hunt at night.

They love water and can swim very well. \textbf{Leopards and jaguars} are very similar, but leopards live in Africa and Asia and jaguars live in central South America.

Like tigers, they live alone. Leopards are \textbf{s\underline{}\underline{}\underline{}} than jaguars. Jaguars have \textbf{l\underline{}\underline{}\underline{}} tails. \textbf{Snow leopards} are the \textbf{r\underline{}\underline{}} big cats.

People hunt them for their fur. They live in high mountains in central Asia. \textbf{Cheetahs} are the \textbf{f\underline{}\underline{}\underline{}} animals.

12 “ ...... you got any red hats, please?” (4)
14 “I’m ...... , we haven’t got any trainers in your size.” (5)
16 “You can buy a baseball cap ...... the sports department.” (2)
17 “Excuse ...... !” (2)

The birthday present is a
Supermarket Maze

Begin at the START sentence and follow the maze. If you think the sentence is correct, follow the black arrow. If you think the sentence is wrong, follow the white arrow. You will get out of the maze if you go to all the sentences once and make the right decisions.

1 Have we got enough chocolate?

2 This bread is very nice.

3

4

5

6

7 We had too much tomatoes last time.

8 This bacon is wonderful.

9

10 Unfortunately, too cream makes me sick.

11

12 When the weather is so hot, it's good to eat salad.
Fred gave me a good advice about cooking pasta.

I want 2 bottle of Coke.

I asked her for a milk.

How about making a cake?

This fish is really delicious.

We need much eggs.
The Invitation Maze

Can you find the two paths through the maze?
Andy speaks first. Follow Andy's path in red and Lydia's path in blue.

START

Hi, Lydia.
How are you?
I love going swimming on Wednesdays.
Where's Martin?

Hi, Lydia.
How do you do?
Where are you?
I have to...

Hi, Lydia.
How are you?
Where are you going?
No problem. Why don't we invite Martin, too?

Hi, Lydia.
How are you?
Nothing, why?
That's a good idea. Let's go and see the new Leonardo DiCaprio movie.

Hi, Lydia.
How are you?
Are you?
That's a great idea.

Hi, Lydia.
How do you do?
It was Thursday yesterday.
Fine, thanks. Thank goodness it's Friday.

Hi, Lydia.
How do you do?
Are you?
My name's Lydia.

Hi, Lydia.
How do you do?
Nothing, why?
That's a good idea. Let's go and see the new Leonardo DiCaprio movie.

Hi, Lydia.
How do you do?
Are you?
Sorry, I hate horror films.

Hi, Lydia.
How do you do?
Nothing, why?
How about you?

Hi, Lydia.
How do you do?
Are you?
That's a good idea. Give him a ring.

Hi, Lydia.
How do you do?
Nothing, why?
What a lovely day!

Hi, Lydia.
How do you do?
Nothing, why?
What a lovely day!

Hi, Lydia.
How do you do?
Nothing, why?
I don't think so. I hate it!

Hi, Lydia.
How do you do?
Nothing, why?
Here you are. Let's go.

Hi, Lydia.
How do you do?
Nothing, why?
I'm never late!

Hi, Lydia.
How do you do?
Nothing, why?
All right. See you on Saturday. Don't be late.

Hi, Lydia.
How do you do?
Nothing, why?
That's not true.

Hi, Lydia.
How do you do?
Nothing, why?
‘Bye, Lydia.

Hi, Lydia.
How do you do?
Nothing, why?
‘Bye, Andy.

Hi, Lydia.
How do you do?
Nothing, why?
How far is it?

Hi, Lydia.
How do you do?
Nothing, why?
Thank you.

Hi, Lydia.
How do you do?
Nothing, why?
‘Bye, Lydia.

Hi, Lydia.
How do you do?
Nothing, why?
‘Bye, Andy.

Now add up the numbers on Andy's path to find out the height (in metres) of Nelson's Column (in Trafalgar Square) and add up the numbers on Lydia's path to find out the date of the Battle of Trafalgar.

Nelson's Column is ______________ metres high.
The Battle of Trafalgar was in the year __________.
Are You a Fish?

Most people love water (swimming, sailing, water sports) or just playing. But water is dangerous too and you must always be careful. Here are nine questions about water safety. Choose the answers and take the big letters under each one and write them at the bottom of this page. They make a new question and you can answer it.

1. At the beach what does the orange flag mean?

2. What is the best stroke to use if you want to swim a long way?

3. What must you remember when you go out on a boat in summer time?

4. Before diving you must always find out how deep the water is. What is the rule about this?

5. At the swimming pool what must you remember if you want to dive?

6. If you are windsurfing near a beach what must you remember?

7. What must you always wear when you go out in a small boat?

8. How long must you wait after a meal before swimming?

9. At the beach what does a red flag mean?

You must wait at least two hours after your meal.

You must always wear a life jacket.

You must not dive if the water is less than 10 metres deep.

You must wear a hat. And don’t forget to use sun screen because you burn more easily when you are on water.

The sea is a bit rough and you must be very careful.

It’s best to use breast stroke.

You must not dive when there are other swimmers.

Be careful! It’s dangerous to swim.

You must think of others and not get close to swimmers.

The question is: __________________________

My answer is: __________________________
Secret Message Draw the times on the clocks.

A) five past three  twenty-five to nine  half past seven  five to twelve

B) five to seven  twenty past nine

C) five to three  five to nine  five to one  quarter past nine

D) quarter past six  half past seven  five o’clock  five to nine  five to one

quarter past nine  five to seven  five to twelve  five past six

E) five to six  five to nine  five past seven  five to nine  five to one  quarter past nine

Now look at the semaphore alphabet. Find the letters which match the shapes of the hands on the clocks.

Write the secret message and give the answer.

A) W ___  B) ___

C) ___  D) __________

E) _______?  Answer: _______
The Ice Skating Puzzle

Tara Lipinski was a world champion ice-skater when she was only fifteen years old. She was famous because she was good at doing triple jumps (three big jumps one after the other) in her skating routines. Triple jumps are very difficult. How many did she do in each dance when she skated in international competitions?

Do the puzzle and find out.
Match the halves of the sentences on the left to the halves on the right, then join the two numbers in the little box. Then you can see how many triple jumps Tara usually did.

1. Her birthday is on
2. She comes from
3. Her mother's called
4. Her father's called
5. She hasn’t got any
6. She has got
7. Their names are
8. Her favourite colour is
9. Her favourite food is
10. Her favourite ice cream is
11. Her favourite hobby is
12. Her favourite actor is
13. Patricia.
15. five dogs.
16. strawberry.
17. pasta.
18. the 10th of June.
20. shopping.
21. Texas in the USA.
22. Tom Cruise.
23. brothers or sisters.
24. purple.
The Ice Hockey Puzzle

Skate along with the ice hockey player and try to score a goal.
In each answer you have to change two letters in the previous answer.

1. Players often get ... because ice hockey is a violent game.
2. Ice hockey players have to work very ...
3. Ice hockey players wear helmets to protect their heads. Helmets are hard ...
4. The Maple Leafs are the Canadian team with the most ...
5. The puck is sometimes difficult to see because it move so ...
6. The Maple Leafs are the most popular team in Canada but they are not the ... players.
7. Eric Lindros is a famous ice hockey player; his nickname is 'The ... One'.
8. The Maple Leafs don't win many games. In other words, they don’t ... many other teams.
9. Ice hockey players play between 82 and 102 games each ...
10. There are between 11 and 18 players in a ...
11. Wayne Gretsky is an ice hockey legend. He has more records ... any other player.
12. ... a player starts a fight, he has to stay off the ice for five minutes.
13. Top sports stars like Wayne Gretsky and Eric Lindros train every day of the ...

Since then, he’s __________________ in films with some of the most famous people in Hollywood and now Leo is probably the most famous actor in the world.

His most famous films are *Romeo and Juliet*, *Titanic* and *The Beach*.

But Leo ______________ forgotten the most important things in life: family and friends. When Leo started to earn __________________ of money from acting, he bought ________________ dad a car. Leo says:

“I have experienced lots of changes but I ________________ always be there for my parents. I ________________ to be the perfect child.”

Leonardo won an Oscar for Best Supporting Actor in the film *What’s Eating Gilbert Grape*? Find out who the main actor was in that film from the letters next to the words which you chose in the maze.

**His name is __________________.**
**The Pocahontas Story**

Do you know the true story of Pocahontas? Read her story and write the missing verbs in the boxes in the puzzle to find the name of the place where Pocahontas lived. (It's called Virginia now.)

Pocahontas (4) **w**_________ born in America in 1595. Her father's name was Powhatan. He was an Indian chief and he ruled a group of Algonquin tribes. In about 1607 the English (5) **c**_________ to the place where Pocahontas (3) **r**_________. They (11) **b**_________ a town called Jamestown. Powhatan (8) **c**_________ a white Englishman. His name was John Smith. The Indians (12) **w**_________ to kill him but Pocahontas saved him. She **p**_________ her head on top of his head. The Indians couldn't kill John Smith without killing Pocahontas. She was about twelve years old when she did this. Perhaps she (4) **w**_________ in love with him. John Smith went back to England without her. Later, in 1613, the white people (9) **e**_________ Pocahontas away from her family to live with them. She (7) **l**_________ English and became a Christian. She had a new name: Rebecca. She married a man called John Rolfe. In 1616 they went to England. When she was a young Indian girl in America she ran through the forest without shoes or clothes. In England she wore beautiful clothes and shoes; she met King James, and she went to big dances in London. When she was twenty-one, she (1) **b**_________ ill and decided to go home but she (2) **h**_________ to get off the ship in Gravesend, about twenty miles from London, because she was very ill. She (10) **d**_________ in Gravesend and they buried her there at St George's church. Her son, Thomas Rolfe, went to Virginia in 1635. Perhaps you can find some of Pocahontas’ family in Virginia now.

The Native American Quiz

Pocahontas was a Native American. The Plains Indians spoke different languages and had different customs but they all had a similar way of life. Read these facts about the Plains Indians and decide which are true and which are false. The letters will spell the Sioux Indian word for "cloudy waters". It's also the name of a place.

1. Plains Indian men didn't have much hair on their faces or bodies. If they did, they removed it.
   TRUE  M  FALSE  W

2. In tribes that didn't move around too much, men often looked after the children.
   TRUE  I  FALSE  L

3. Boys played a game that later became ice hockey.
   TRUE  N  FALSE  S

4. Indian camps always had a sweat room (sauna).
   TRUE  N  FALSE  C

5. Plains Indians never played gambling games and believed that gambling games were bad for the spirit.
   TRUE  O  FALSE  E

6. The parents of a baby chose its name six months after it was born.
   TRUE  N  FALSE  S

7. Eagle feathers were very valuable to the Plains Indians.
   TRUE  O  FALSE  S

8. The women put up and took down the tipis (tents).
   TRUE  T  FALSE  I

9. The Plains Indians had very clean white teeth because of their healthy, sugar-free diet.
   TRUE  A  FALSE  N
The Lion King

Kylie and Ben have been to see The Lion King at the theatre in London. Add the correct question tags to their conversation. There is a number by each empty space and there is also a number by each tag. Join the two matching numbers on the grid below and you can find out what to say when you meet a lion!

Kylie: It was brilliant. (6)  
26 wasn’t it?

Ben: Yes, it was even better than the film. The costumes were amazing. (8)

Ben: They must have spent millions on them, (4)

Kylie: I was quite young when the film first came out. We went with grandma and I was terrified of Scar, (3)

Ben: I don’t really remember. You weren’t that young, (10)

Kylie: I was seven. You tried to frighten me, too, (17)

Ben: Only once or twice. You were too clever, (14)

Kylie: I suppose so. I’m trying to remember the differences between the film and the stage version. They didn’t leave any of the characters out of the stage version, (23)

Kylie: No, I don’t think so. Timon was in the film, (1)

Kylie: Yes. What did you think of the music? It sounded incredible, (24)

Kylie: That’s because it was live. There’s something really magic about the theatre, (27)

Ben: But we’ll still watch the film now and again, (9)

Kylie: Of course! It’s one of my absolute favourites. I’ll never be too old to enjoy The Lion King.

18 didn’t you? 4 did they?
15 weren’t you? 19 wasn’t he?
26 wasn’t it? 23 didn’t it?
28 weren’t they? 26 isn’t there?
5 mustn’t they? 8 won’t we?
21 wasn’t I? 9 were you?
The Boyzone Puzzle

7 Shane’s twin sisters belong to another famous pop group called ________.

14 Shane has got a tattoo of a _______ on his shoulder.
