Introduction

Thank you for purchasing The Magickal Rites of Prosperity. Let’s face it, whether we like money or not, in this world, we need it. Money makes the world go-round. This has been the case since the dawn of humanity. Although in the most ancient of days money was not used, but other goods were. Grain, livestock and goods of all types were used to obtain other goods. It was a bartering system as it were. Today we use money as a means of obtaining goods, but in all actuality, it is still bartering, it is just that we have added an extra element to it. Money now allows us to exchanges goods. It gives us the right to. So in this sense money is the gatekeeper between one good and the other.

I am writing this book in response to several requests. I have had several people come to me asking me for a book just on money magick. In most, if not all my books I supply magickal rites for money, in this book I will bring the best of them together in one volume. And I will include a new one from an upcoming series.

Money is a big issue for most people and so this book will come in very helpful to many. Unfortunately, Money has such a bad reputation and that is part of why so many are in need of it, most of this reputation is based on a few misconceptions. In the next chapter, I am hoping we can banish some of the misconceptions of money. After that, we will briefly discuss how hidden thoughts about money sabotage you and finally, we will get right into the rituals and what is needed for them. Let us proceed.
What Is Money Really?

For so many, money is a serious source of stress. I too, over various spans of my life struggled to make ends meet. I also had to battle many bad financial habits. They were so bad that whenever I did have money, somehow, someway, id blow right through it all. In fact, I had to go bankrupt in the early 90s. I have had several times in my life that I had quite a bit of money and every time I blew it. I always said, “This time will be different, I will treat money with respect.” Nonetheless, I would still blow it all. It was only after I preformed magicak rituals did I finally get it right. I will get into that in the next chapter, but for now, let me smash a few misconceptions.

So what is money really? The superficial answer is that it is paper, coin or a digital number and the more you have of it, the more you can buy. Well, that is certainly true. Money does buy comfort in this world. Money however has a much larger significance than its purchasing power. It’s actually a mirror of the person who has it or does not have it. Let me explain.

Money is energy, if you think about it; it flows in and out of banks, stores, your pocket etc. It is not static, in fact money, if it remains static, is as if it doesn’t exist. Think about the word “Currency.” The root word of currency is ‘Curraunt’ which means “in circulation”. Why do they call the stream of electric energy a “current”? Both words mean “FLOW”. What flows? Energy flows. Money is simply energy, pure and simple. This alone should be able to take some of the negative sting of what money is, but let us take it a bit further.

Money is a mirror. How Money is handled is a perfect mirror of how a person is. If you are a charitable person by nature, if you are given millions of dollars, you will most likely be generous with it. If you are a greedy person by nature, you will not be charitable. All money does is magnify who you are. It in and of itself has no power over who you are. It is not only measure of value of goods. It is also a measure of values as well.

With that said, let us smash another misconception. The bible states that a rich man can never enter heaven, but what it meant was a GREEDY man, not a rich man. If riches prevented the attainment of heaven, what of all the rich people in the bible that God blessed? What about the rich man, Joseph of Aramathea who offered his tomb for Jesus resting place? You see? It is not money that is the issue; it’s the values of the person who has it. Money is a neutral tool.

It is, in many ways, like a car. A car is neither good nor bad. It is driven based on the how the driver is driving. If you are speed demon, is the car the one to blame? Or is the car simply reflecting a particular disposition? I am not saying being a speed demon is right or wrong, but what I am trying to
convey is that the car is simply a measure of your engagement with it, as is with money. A car can take you to the hospital or it can be the reason you are going to the hospital in the first place. The same with money, it’s a tool and nothing more. Giving it any more energy than that is giving YOUR energy away. Energy You could better spend manifesting it in your life. With that said, I’d like to address some hidden mental blocks to wealth.
Some Hidden Mental Blocks to Money

As I stated in the previous chapter, it was only after I preformed magickal rites that I finally got the whole money thing sorted out. But let me just say, aside from bringing money into my life it also helped me UNDERSTAND money and that is why the rituals not only worked, but CHANGED me. Just getting money is simply not enough, money is an inner game. However, I’d like to say that you can bring in money for moneys sake; I am just saying for sustainable wealth, it is an inner game.

That being said, there are a few hidden blocks to money; hidden blocks that have developed over the years from being taught wrong things about money. Here are a few I personally had to get over but I am sure many many others will relate as well.

I would like to ask you two critical questions. Your honesty in this is going to matter very much as you go forward in this book.

Do you think Money is dirty? If you answer yes, then logically you shouldn’t want money at all. Why? Why would you want money to flow into your life if money is so dirty? I would not want anything that I thought was dirty in my life. But that would be a bit too simplistic because we need money to survive in the world regardless whether it is dirty or not. In that case, perhaps it is not wealth that you are after but a kind of day-to-day grind, not thriving but just surviving. Does that sound like a something you would want? If your answer is no, I advise you to rethink your ideas about money. Money will flow easier into your life when you can change your associations that you have about it. This conflict, if not resolved, is placing a huge wall between you and money. Magick can help you work through this.

One more question:

Are rich people greedy and untrustworthy?

Even if you answered no to question 1, by answering yes to question 2, you are by default answering yes to question 1 as well. On the one hand, rich people are untrustworthy, but on the other, you want to be a rich person yourself. How can that be reconciled? It can’t, it is another wall.

If rich people are untrustworthy, why would you want to be rich? That would mean you want to be untrustworthy and greedy and I know that’s not what you want to be. If you say, ‘I am a different kind of person, money won’t corrupt me’ then what you are saying is that it is not the money that is corrupting a person, but the persons own inclination to be corrupted by money. You see what I mean? As I stated earlier, money is a tool and a mirror and nothing more. Magick can help you sort out all these issues.

In the end you may have other conception all together. I, unfortunately cannot determine that for you. So with all that said, let us take a look at various different rituals for wealth.

Let us begin.
PART 1 – WEALTH MAGICK FROM THE EAST

In this section, I will be pulling the magickal Money rituals from my books that have more of an Eastern slant. I.e. Mantras and Hindu based prayers. Before each ritual, I will give a brief background as well as items you should have to help you focus your energy. Please note, the items in most cases are optional so please do not feel that you must have them. I just prefer using them to focus the mind. I will indicate when items are an absolute must. With that said, let us proceed to our first ritual.
Ritual 1 – The Lakshmi Mantra for Financial Wealth

A Little about Lakshmi: Lakshmi is the goddess of wealth and fortune, both spiritually and materially. In reality, however, most people use her for material wealth in this world. That is okay, so long as we are on this earth, it is not a bad thing to live in prosperity. It is not noble to live in lack nor is it more noble to be a greedy hoarder of wealth. It’s all about harmony. Lakshmi brings harmony to our prosperity. Often we say we seek balance in our lives, but in reality we seek harmony. Have you ever seen a balanced scale? It is static and unmoving. Whereas harmony is a flowing interaction between states. Lakshmi bestows Harmony in our lives and that helps us attract prosperity and wealth in all ways. To learn more about Lakshmi and all of her rituals please take a look at my book “Lakshmi Mantra Magick”

Things You Will Need For the Ritual:

(If you do not have these items it is perfectly okay, they simply enhance your ritual)

1. A "picture" or statue if Lakshmi. I have this one Lakshmi Statue
2. The following Incense: Lakshmi Money Incense (Any incense will do, I just prefer this one)
3. The following Candles: Gold Candles
4. A secure plate or candle holder to hold the candles. Since the ones I recommend vary in size you can use the a make or brand of your choosing. Just make sure to find one that will hold these candles and will allow for safety(NEVER LEAVE CANDLES BURNING UNATTENDED)
5. An Incense holder. (NEVER LEAVE INCENSE BURNING UNATTENDED)
6. Tibetan Buddhist Meditation 108 Beads to keep track of your recitations.
The Ritual And Mantra:

Please setup a place in your abode that you can dedicate to this ritual. If you have an altar, that is superb but if you don't, any place in your home where the ritual can be performed is good too.

1. Place the picture of statue of Lakshmi at the Center.
2. To the left of the image, place The gold candle and light it.
3. To the Right, place the Incense and Light it.

4. Sit quietly and think about your desire for financial wealth. Do not imagine how it will come to you but just that you desire it.

5. Say the following Mantra 108 times a day for 40 days:

**OM-SHREEM-HREEM-SHREEM-KAMALAY-KAMALAY-YEY**
**PRA-SEED- PRA-SEED SHREEN HREEM SHREEM MA-HA- LAK-SHMEE-YEY NA-MA-HA**

6. Now look at the image or statue intently and feel her presence resonate with you. You may notice that the image takes up your entire visual field. Sit with that for as long as you wish.

8. When you are satisfied, you may let the candles and incense burn to completion or over the 40 days. (Please be sure not to leave them unattended. If you need to leave your abode, you may extinguishing them and ignite them upon your return.)

Thus concludes this ritual. To learn more about Lakshmi and all of her rituals please take a look at my book “**Lakshmi Mantra Magick**”
Ritual 2 – Attracting Material Wealth and Abundance – From the book “Tapping into the Power of the Chant”

A Little Bit about Seed Mantras: In my book “Tapping Into the Power of the Chant,” I discuss ways to gain “supernatural” abilities by reciting certain seed mantras. Seed Mantras, are root sounds in the Sanskrit language. They are root energetic sounds behind the entire universe. These Seed Mantras are the vehicle of power that when used properly, can change the entire vibration of your life.

The Seed mantra that will follow is the core sound of abundance, this sound has embedded into it the universal creative energies of abundance.

What You will need for this mantra:

TIBETAN BUDDHIST MEDITATION 108 BEADS to keep track of your recitations. The goal of this recitation is to gain the abundance energy from the mantra and in order to do that we need to recite it a certain amount of times.
The Ritual and the Mantra:
The Seed Mantra for this aspect is **Shreem**, Pronounced ( Shreeem) The **Shreem** prosperity mantra is a powerful tool that you can use to reshape how you attract and manage your prosperity. Gaining mastery with this will be very powerful.

**How Many Recitations : 1000 times a day for 10 days (This is a lot easier than you think, you can also chant 10,000 times in one day if you want to hasten the process)**
To learn more about attaining mastery over see mantras please take a look at my book **Tapping Into the Power of the Chant**.
Ritual 3 – Kali Mantra For Financial Assistance

In my book “Kali Mantra Magick” I discuss several rituals you can perform to tap into her awesome power. One of them is specific for financial assistance. But I must warn you, Kali is not a subtle energy so please recite with care.

A Little Bit about Kali: Kali, the dark mother of the Hindu pantheon is oft the most misunderstood Goddess in all human spiritual endeavors. Her imagery can send a chill down even the most jaded persons spine. As fierce as she is, she is the core of the feminine divine, which is creative and powerful. She represents raw form of the sacred feminine. Tough love, I suppose is one way to put it and that would be quite an understatement. Her mantras are often recited when people want quick solutions to their problems. All problems, be they physical, mental or spiritual. However, unlike the other goddess that nudge you and sometimes push. Kali will cut right to the chase and shove you.

What You will need for this Ritual:
1. A "picture" or statue if Kali. I have this one Kali Statue
2. The following Incense: Kali Goddess Blend (Any incense will do, I just prefer this one)
3. The following Candles: Gold Candles
4. A secure plate or candle holder to hold the candles. Since the ones I recommend vary in size you can use a brand of your choosing. Just make sure to find one that will hold these candles and will allow for safety(NEVER LEAVE CANDLES BURNING UNATTENDED)
5. An Incense holder. (NEVER LEAVE INCENSE BURNING UNATTENDED)
6. Tibetan Buddhist Meditation 108 Beads to keep track of your recitations.
The Ritual and the Mantra:

Please setup a place in your abode that you can dedicate to this ritual. If you have an altar, that is superb but if you don't, any place in your home where the ritual can be performed is good too.

1. Place the picture of statue of Kali at the Center.
2. To the left of the image, place the gold candle and light it.
3. In the back, please light the incense.
4. Sit quietly and think about your need for financial wellbeing and abundance
5. Say the following Mantra 108 TIMES A DAY FOR 21 DAYS:

   Om Kleem Kalikayei Namaha
   Pronounced: Aum Kleem Kah Lee kah Yay Na Ma Ha

7. Now look at the image or statue intently and feel her presence resonate with you. You may notice that the image takes up your entire visual field. Sit with that for as long as you wish.
8. When you are satisfied, you may let the candles and incense burn to completion. (Please be sure not to leave them unattended. If you need to leave your abode, you may extinguishing them and ignite them upon your return.)

Thus concludes this ritual. If you would like to know more about Kali and her mantras please take a look at my book Kali Mantra Magick.
Ritual 4 – Root Chakra Ritual For Secure Finances

In my book **Chakra Mantra Magick** I stress the importance of having Chakras that work in harmony. When they are out of harmony they can cause many issues in the physical world. In this rituals we will clear our root chakra so we can open up to financial wellbeing.

**A Little Bit about The Root Chakra:**

Our first chakra is known as the root Chakra. The root chakra is our foundational chakra. The color associated with this chakra is red. Red can be a vital and living color but can also be associated with anger and frustration. Since this a foundational chakra the element that it most closely resonates is with earth. This chakra, when balanced, will keep us grounded.

If all is well in this chakra, you feel secure, grounded. Often a balanced Root is also associated with financial wellbeing. Without money in this world, you cannot be secure. A balanced root chakra will be very helpful here.

**Seed Sound for this Chakra: Lam.**

**Color:** Red.

**Ritual Purpose:** To Attract Money

**What You will need for this Ritual:**

1. An image of the root Chakra. You can easily find one online and print it out. Or you can reference the one below.
2. Any Incense you desire
3. The following Candles: **Red Votive Candles** (I just happen to like these but you can get any brand of candles you like)
4. A secure plate or candle holder to hold the candles. Since the ones I recommend vary in size you can use the a make or brand of your choosing. Just make sure to find one that will hold these candles and will allow for safety(NEVER LEAVE CANDLES BURNING UNATTENDED)
5. An Incense holder. (NEVER LEAVE INCENSE BURNING UNATTENDED)

**TIBETAN BUDDHIST MEDITATION 108 BEADS:** To keep track of the recitations.
The Ritual and the Mantra:
Please setup a place in your abode that you can dedicate to this ritual. If you have an altar, that is superb but if you don't, any place in your home where the ritual can be performed is good too.

Image of Chakra:

1. Look at the image of the Chakra
2. Place the Red candle in the middle of your altar and light it.
3. In the back, please light the incense.
4. Sit quietly and think about your desire to attain financial assistance
5. Say the following Mantra WITH PASSION SEVERAL TIMES UNTIL YOU FEEL IT OVERTAKE YOU: **LAM**
6. Now focus on the chakra image as you recite the mantra
7. When you are satisfied, you may let the candle/s and incense burn to completion. (Please be sure not to leave them unattended. If you need to leave your abode, you may extinguishing them and ignite them upon your return.)

Thus concludes this ritual. You have woken up your root chakra. If you would like to learn how to work on all your chakras please take a look at my book *Chakra Mantra Magick*. 
Ritual 5 – Using Moldavite and A Mantra To Help Your Financial Life.

In my book *Moldavite Magick* I discuss several rituals that can be done to harness this powerful stone. In all honestly, I no longer work with the stone because, although it works, it is a VERY high energy stone and it gives me a headache, but it may not do this to you.

**A Little Bit about Moldavite:**
Although we refer to Moldavite as a crystal, it is actually a tektite a form of glass. Moldavite is of a very high frequency and vibration; maybe too high for most people. In ancient times it was good luck charm and a "wish-fulfillment" stone. A perfect stone for magick. Today many call it the holy grail stone, this idea comes from the fact that some say that the holy grail itself, the cup Jesus drank from, was bejeweled with Moldavite.

This stone is used for all kinds of reasons. Due to the rawness of this stone, it can and will cause magickal transformation in your life. As they say, once you start with Moldavite, there is no turning back unless it is very uncomfortable as it is for me. The crystal alone is powerful; imagine how it will work when combined with mantras?

**What You will need for this Ritual:**

This is a situation where the items needed for the ritual are an absolute requirement.

1. Moldavite Stone. I bought mine locally but here is a nice one *Moldavite Crystal*
2. Incense, this just creates a pleasant atmosphere. Incense has a way to make the surroundings magickal.
3. Candles: *(Please note you can buy any kind of candle you like, they don't have to be chimes or votive. I just happen to like the ones I provided here)*
   - **Gold Candles:** This candle will be used for the ritual on financial assistance. Many occultists will tell you to use green, but this has been a long-held misconception. The only reason why people have said to use green is because it's the color of money. The thing is, its only the color of money in the USA and maybe a few notes here and there of other nations. They don't call the dollar "greenback" for nothing. Green is not a color that is truly indicative money. Gold is though, Gold is UNIVERSALLY known to be a signifier of wealth both in ancient times and present. If you have been using Green for your money rituals, now you know to use gold instead. It is much more effective.
   - **TIBETAN BUDDHIST MEDITATION 108 BEADS** - This will help you keep track of your mantra chanting. This one is my favorite, but you can get anyone you like.
A Bowel of water.
The Ritual and the Mantra:
1. If you have an altar, please place the gold candle and incense at the center and light them.
2. Please place the Moldavite in the water and visualize a golden light coming from above cleansing the Crystal of any negative influences.
3. Have the mantra Lakshmi mantra ready since it is suggested you should repeat it 108 times for maximum effect. The Mantra is **Om Shreem Maha Lakshmiyey Swaha**
4. Hold the Moldavite in one hand (Does not matter which hand)
5. The Malabeads in the other (Does not matter which hand). If you can count without them, that is find too. I used the beads to focus.
6. Set your intention for the ritual. Visualize the money you wish to bring in.
7. Sit in silence for a moment as you feel the Moldavite energy pulsating in your hands.
8. Start pronouncing the mantra. **Om Shreem Maha Lakshmiyey Swaha**
9. When you are done reciting the mantra. Sit with the moldavite a bit and visualize its energy permeating your being.
10. Conclude the ritual by thanking the power of the moldavite. At this time you can either place it on the altar, or put it in a pouch and carry it with you.
You should perform this ritual twice a week (any day of the week) until your goal is achieved. You will quickly find that this will work very fast for you. If you would like more information on how to use Moldavite please take a look at my book **Moldavite Magick**.
Ritual 6 – Working With the Goddess Tara For Abundance

In my book “Tara Mantra Magick” I discuss the Goddess Tara and her various aspects. As I state in the aforementioned book, Tara has a special place in my heart. She has been my patron throughout most of my occult practice. I love her dear. The ritual below will help you tap into her energy of abundance.

A little About Tara:

Tara is considered the mother of all Buddhas and very much adored in Tibet. She has many different manifestations or emanations. Tara as a Goddess has a complicated story, there are hints of her in the Hindu Tantra. However, as I stated, she is most known as a Tibetan deity. In Tibetan lore, it is said that countless ages ago she was a devoted disciple of a very powerful Buddha. She became so advanced in her spiritual practice that she too developed such a high spiritual level that she was approaching Buddha-hood. Once she achieved this state she decided that she would not simple rest in enlightenment but that in her compassion, she would not cease in her efforts until she has saved all sentient beings from the cycle of death and rebirth. Her goal was to help all sentient beings achieve enlightenment. That kind of selflessness is what she is known for, and loved for.

What You will need for this Ritual:

1. **Tara Statue** This is to focus your attention. I find it helps me " feel" Taras presence when I do a ritual to her.

2. **Tara Healing Incense** : This Incense is a wonderful sacred fragrance.

3. **Candles:** (Please note you can buy any kind of candle you like, they don't have to be chimes or votive. I just happen to like the ones I provided here)

**Gold Candles**: This candle will be used for the ritual on financial assistance. Many occultists will tell you to use green, but this has been a long-held misconception. The only reason why people have said to use green is because it's the color of money. The thing is, its only the color of money in the USA and maybe a few notes here and there of other nations. They don't call the dollar " greenback" for nothing. Green is not a color that is truly indicative money. Gold is though, Gold is UNIVERSALLY known to be a signifier of wealth both in ancient times and present. If you have been using Green for your money rituals, now you know to use gold instead. It is much more effective.
TIBETAN BUDDHIST MEDITATION 108 BEADS: These beads are very helpful for keeping track of your mantra recitations.
The Ritual and the Mantra:
Please setup a place in your abode that you can dedicate to this ritual. If you have an altar, that is superb but if you don't, any place in your home where the ritual can be performed is good too.

**DAY OF WEEK: WEDNESDAY AND OR FRIDAY**

1. Place the picture of statue of Tara at the Center.
2. To the left of the image, place the gold candle and light them.
3. In the back or to the right, please light the incense.
4. Sit quietly and Think about your financial situations and your need for abundance.
5. Say the Tara below either Mantra 7, 21 or 108 times
   
   **Nor Ter Ma**
   **The Giver of Wealth**

6. Now look at the image or statue intently and feel her presence resonate with you. You may notice that the image takes up your entire visual field. Sit with that for as long as you wish.
7. When you are satisfied, you may let the candles and incense burn to completion. (Please be sure not to leave them unattended. If you need to leave your abode, you may extinguishing them and ignite them upon your return.)

Thus concludes this ritual. If you would like to know more about this wonderful Goddess, please take a look at my book [Tara Mantra Magick](#).
Ritual 7 – Working With A Tibetan Mantra for Abundance.

A little about Tibet: In my book Tibetan Mantra Magick I go into several different Tibetan mantras as well as some history of Tibetan Buddhism. When we think about Tibet, we are often taken back to the stories of the search for Shangri La. We are beguiled by stories of men and women who spend their entire lives in meditation in hopes to achieve liberation from the ties that bind us here on this earth. We are further in awe of those stories of the great mystics who, though Tibetan rituals develop supernatural powers. All these stories have elements of truth in them. Rumors of this nature are often unconfirmed facts as it were.

Like most eastern traditions, Tibetan Buddhism has a rich tradition of mantra chanting and magick. Some of the rituals are so elaborate it can often intimidate the mind of those with entrenched western sensibilities. A good way to pierce the mystery is to work with the mantras of this great tradition.

**What You will need for this Ritual:**

1. The following Incense: *Tara Healing Incense* (Any incense will do, I just prefer this one for Tara magick as well as Tibetan Magick)
2. The following Candles: *Gold Candles*
3. A secure plate or candle holder to hold the candles. Since the ones I recommend vary in size you can use the a make or brand of your choosing. Just make sure to find one that will hold these candles and will allow for safety(NEVER LEAVE CANDLES BURNING UNATTENDED)
4. An Incense holder. (NEVER LEAVE INCENSE BURNING UNATTENDED)
5. *TIBETAN BUDDHIST MEDITATION 108 BEADS* to keep track of your recitations.
The Ritual and the Mantra:
Please setup a place in your abode that you can dedicate to this ritual. If you have an altar, that is superb but if you don't, any place in your home where the ritual can be performed is good too.
1. Place the gold candle in the middle of the altar and light it.
2. In the back of the candle, please light the incense.
3. Sit quietly and Think about your particular need.
4. Say the Mantras that is used for your issue 108 times. You can say it out loud or in your mind.

   **OM ZAMBALA ZA LEN DRA YEH SOHA**

5. When you are satisfied, you may let the candles and incense burn to completion. (Please be sure not to leave them unattended. If you need to leave your abode, you may extinguishing them and ignite them upon your return.)

Thus concludes this ritual. You can do this once a day until you see changes in your finances.
To learn more about Tibetan Buddhism and additional mantras; please take a look at my book *Tibetan Mantra Magick*. 
Ritual 8 – A Vedic Ritual of Prosperity

In my book *Vedic Magick: Using Ancient Vedic Spells To Attain Wealth* I discuss various rituals to attain wealth using Vedic Prayers. The one below is my favorite and one that I have received several emails on. **The Vedic rituals are more elaborated than most.**

A Little about the Veda I used for this ritual:
The Atharva Veda is the fourth of the Vedas. This Veda is quite different from the others since it does not really stress the strictures of religious rituals as do the other 3 vedas. This Veda is, how shall I say, more practical for the average person. It contains spells of various kinds that can be used practically by anyone. Whereas the other 3 vedas discuss rituals that are mostly preformed by Brahman Priests. So in a sense the Atharva Veda is a tome of practical magick. The spells include everything from spells for the banishment of demons, love spells, healing, conquering of enemies and for material prosperity.

It is due to the fact that this Veda is more catering to the "populace" and not to the strict ritualistic aspects of the religion that it has not been given the proper attention.

What You will need for this Ritual:
In the Vedas most if not all rituals were sanctified by water and fire, the list below will allow us to capture that.

1. Stick Incense (Optional) : I find this incense to be very pleasant when doing any ritual, not only Vedic rituals. **True Goddess Frankincense and Myrrh** I use it for background scent. **However, item 4 on this list can be used instead since it too is incense.**
2. A Goblet for the ritual water (Any container will do, but it should only be used for your rituals and nothing else.) I personally have this one. I love the design and it exudes sanctity. "**Design Toscano The Kings Royal Chalice Embossed Brass Goblet.**" On a related note, I have many statues made by Design Toscano, they have wonderful products. (I do not have any relationship with the company).
3. A cauldron for the ritual fire: I use this one to make an incense offering to the Gods during these rituals.: **Cast Iron Cauldron 4 1/2 inch diameter.**
4. **Pure Organic Frankincense Tears.** These will be burned in the cauldron as an offering.
5. Charcoal for Incense: This will be used to burn the Frankincense Tears. You can get a pack of 10 for very little money. I use this one: "**Charcoal For incense: Pack of 10 Rounds**"
5. **Gold Candles**: This candle will be used for material wealth . Many occultists will tell you to use green, but this has been a long-held misconception. The only reason why people have said to use green is because it's the color of money. The thing is, its only the color of money in the USA and maybe a few notes here and there of other nations. They don't call the dollar "greenback" for nothing.
Green is not a color that is truly indicative of money. Gold is though, Gold is UNIVERSELFALLY known to be a signifier of wealth both in ancient times and present. If you have been using Green for your money rituals, now you know to use gold instead. It is much more effective.
The Ritual:

Step 1: Make sure the cauldron is prepared with the charcoal and Frankincense tears. The cauldron should be in the center of the altar. *(Please do not leave burning incense unattended)*

Step 2: Fill the goblet with **drinkable Water** and place it to the right of the cauldron.

Step 3: Place the Gold Candle to the left of the cauldron and light it. *(Please do not leave burning candles unattended)*

Step 4: Now invoke the Vedic Gods to be in attendance for this ritual with the following words:

**Indra:** *Indra victorious in all things, please be present for this request. I offer to you the purest frankincense and water as an offering to you. Please move the heavens and earth for me.*

**Agni:** *I praise Agni, domestic priest, divine minister of sacrifice, Invoker, greatest bestower of wealth, please be present for this request. I offer to you the purest frankincense and water as an offering to you. Please burn away all negative obstacles that would prevent me.*

**Mitra:** *I praise Mitra, Oh son of the SUN, please be present for this request. I offer to you the purest frankincense and water as an offering to you. Shine your beneficent light upon me.*

**Varuna:** *I bow before you great Varuna, the controller of the tempests, please be present for this request. I offer to you the purest frankincense and water as an offering to you. Cleanse away anything that might prevent me from attaining my aims.*

**Soma:** *Oh great Soma, the bestower of immortality, please be present for this request. I offer to you the purest frankincense and water as an offering to you. Please provide me with the insight I need to make my intent a reality.*

**Rudra:** *Oh! Destroyer! By your arrows, and your bow and that quiver of yours which have become the most peaceful, please bestow me with your pretense. I offer to you the purest frankincense and water as an offering to you. Please hasten my intention to me*

Step 5: Recite the Atharva passage: *This is thine ordered place of birth whence sprung to life thou shinest forth. Knowing this, Agni, mount on high and cause our riches to increase. Turn hither, Agni, speak to us, come to us with a friendly mind. Enrich us, Sovran of the Tribes! Thou art the giver of our wealth. Let Aryaman vouchsafe us, wealth, and Bhaga, and Brihaspati, The Goddesses grant wealth to us, Sūnritā, Goddess, give me wealth! We call King Soma to our aid, and Agni with our songs and. hymn, The Ādityas, Vishnu, Śūrya, and the Brāhman-priest Brihaspati. Do thou, O Agni, with thy fires strengthen our prayer and. sacrifice. Incite thou us, O God, to give, and send us riches to bestow. Both Indra here and Vāyu we invoke with an auspicious call, That in assembly all the folk may be benevolent to us, and be inclined to give us gifts. Urge Aryaman to send us gifts, and Indra, and Brihaspati,
Vāta, Vishnu, Sarasvati, and the strong courser Savitar. Now have we reached the ordering of power, and all these worlds of life are held within it. Let him who knows urge e'en the churl to bounty Give wealth to us with all good men about us. May heaven's five spacious regions pour their milk for me with all their might. May I obtain each wish and hope formed by my spirit and my heart. May speech that winneth cows be mine. With splendour mount thou over me. May Vāyu hedge me round about May Pūshan make me prosperous.

**Step 6:** Think of your need for material abundance.

**Step 7:** Dab some of the water from the goblet on Your third eye

**Step 8:** That concludes the ritual, you can either burn out the candle and incense or let them burn out on their own. Please do not let them burn unattended.

Yes, this is quite an elaborate ritual, but it is worth doing. If you would like to learn of more vedic rituals, please take a look at my book *Vedic Magick: Using Ancient Vedic Spells To Attain Wealth.*
Conclusion to Part 1

As you see, this is a good representative sample of the rituals for wealth from the Eastern perspective. Some of these rituals are quite unconventional, but if you do look at some of the comments I have received, you will see they are most effective for most. In the next part, we will cover rituals for wealth from a more western bent.
In this section, I will be pulling the magickal Money rituals from my books that have more from a western slant. I.e. Prayers, incantations etc. Before each ritual, I will give a brief background as well as items you should have to help you focus your energy. Please note, the items in most cases are optional so please do not feel that you must have them. I just prefer using them to focus the mind. I will indicate when items are an absolute must. With that said, let us proceed to our first ritual.
Ritual 1 – Using One of the 72 Angels of the Name

A little about The 72 Angels: In my book *The 72 Angels of the name*. I discuss who these angels are. So, what is an angel? Generally speaking, Angels are spiritual beings without a physical form. Although the bible and other spiritual texts describe them with wings and other limbs. They are, in essence, pure divine energy. The reason they are described with a body is so we can experience their energy with our senses. Since we are sensory driven, the angels will cloth themselves in ways that would allow us to interact and identify them.

Angels are messengers and helpers of God. Every angel has its purpose. For example, the Angel Raphael is God's servant of healing. The major angels are constantly relaying God's divine energy through them for us and the universe in general. Some angels do this work for all eternity while some angels are created for one purpose and mission and when that mission is complete, they no longer exists. In this case, we will use angels that are rather fixed in the spiritual realms.

Ritual 2 – Creating A Daemonic Entity for Wealth.

A little About Daemons: In My book the Daemonic Companion, I explain how one can create a daemon to serve you in all the various areas of your life. In this case we will create a Eudaimon. In ancient Greek Mythology Eudaimon was mostly associated with protecting fields of grain and vineyards, but it was also considered a companion spirit or “Familiar”. It was known to help bestow knowledge, wisdom, good fortune and good luck to the person they were attached to. A person who had a Eudaimon was considered very fortunate.

What You will need:
1. Frankincense and Myrrh: This Incense is a wonderful sacred fragrance and was once more precious than gold. It was so valuable that people would rather it than gold itself. I find the fragrance holy and fitting for this work.
2. Candles: (Please note you can buy any kind of candle you like, they don't have to be chimes or votive. I just happen to like the ones I provided here)
   Gold Candles: This candle will be used for the riches daemon. Many occultists will tell you to use green, but this has been a long-held misconception. The only reason why people have said to use green is because it's the color of money. The thing is, it's only the color of money in the USA and maybe a few notes here and there of other nations. They don't call the dollar “greenback” for nothing. Green is not a color that is truly indicative money. Gold is though, Gold is UNIVERSALLY known to be a signifier of wealth both in ancient times and present. If you have been using Green for your money rituals, now you know to use gold instead. It is much more effective.
3. The offerings to the daemons: A flower or flowers for the eudaimon.
As you can see, these few items are not complicated, as I mentioned, you can use all of these or none, Only the offerings are truly mandatory.
The Ritual:
1. Light the incense and the Gold candle.
2. State out loud or in silence your need for riches, you can be as broad or specific as you like.
3. Place the offer of the flower or flowers on the altar. In the center preferably.
4. Say this prayer:
   “Eudaimon I call you forth and create you, you of benevolent heart, please bring me luck and fortune. Enrich my life with riches and prosperity. By my bidding may it be so. By your power it will be done. So mote it be”
5. Sit quiet and allow the daemon to show itself in your mind or perhaps in front of you.
6. Give it a name or let it give you its name
7. Tell the Daemon again to do what you created it to do. You can say the prayer above again if you like. But at this point, it is under your control.
8. Finish with saying "Let it Be done"
9. You may cast the offerings to nature and let nature take its course on them.
10. Make sure to remember the name of the daimon, you will simply need to mention the name in your mind or out loud in order to call it from now on.

Thus concludes the ritual.

If you would like more rituals and background information on the Daemons, please take a look at my book “The Daemonic Companion: Creating Daemonic Entities To Do Your Will”
Ritual 3 – Using One of the 72 Names of God For Prosperity.

A little about The 72 Names: In my book **The 72 Names of God: The 72 Keys To Transformation (Sacred Names Book 1)** The 72 names of God are derived from a passage in the Hebrew version of the book of Exodus 14: 19-21. In reality, the 72 Names of God are essentially 1 name comprised of 216 letters. So in that sense it is a name with 72 parts. The name is divided into triads which means that every name is comprised of 3 letters. To create the first name you combine the first letter of Verse 14:19 the last letter of Verse 14:20 and the first letter of verse 14:21. You would continue this until all the letters in these verses are used.

Name one example:

**Name one:**

[Image of Hebrew characters]
What You will need for this Ritual:
   1. No special props are required.

The Ritual

This name is used to create prosperity and wellbeing in your life.
Meditation:
Please take a moment and relax
While Looking At Gods name, think about your desire for prosperity and wellbeing. Imagine what it would be like to have what you so very much want.
Now imagine the letters pulsating in front of you. Image what it would like and what you would do if you had the prosperity you desire. Now baths in the glow of the letters of God as God makes it so.
Once you feel that it has worked. You can stop the meditation. Do this as often as you like.
That is really all there is to it, nothing fancy, do this once a day until you see the results you want. If you would like more rituals and background information on the 72 Names of God, please take a look at my book The 72 Names of God: The 72 Keys To Transformation (Sacred Names Book 1)
Ritual 4 – Using Saint Expedite for Urgent Financial Need

In my book The Magick of Saint Expedite: Tap into the Truly Miraculous Power of Saint Expedite I rave about this great saint. He has worked so well for me and thousands of others. Love him. So who is St Expedite: According to Catholic traditions, Saint Expedite was a Roman Centurion who was based out in Armenia. He was initially a pagan but later converted to Christianity, as many Roman Soldiers did. His conversion was to eventually lead to his death during the Diocletian Persecution of Christians in 303 A.D. Before his conversion, it is said that the devil came to him in a form of a crow and encouraged him to put off his conversion until the following day. Saint expedite refused and crushed the bird under his feet and killed it. He thus declared, "I will be Christian today!"

This is important to make note of because the typical iconography of Saint expedite depicts him stomping on a bird that is saying "CRAS" which means "tomorrow" in Latin. Saint Expedite then lifts a cross with the word "Hodie" engraved in it. Hodie being the word for "Today". This fact also gives him the reputation as working very quickly on peoples requests. He doesn't wait, he works on them TODAY.

What You Will Need:

1. A Statue or printed image of him. A Novena Card works too. I have this statute of Saint Expedite: 12" Inch Saint Expedite Figurine

Or you can use Novena cards, This is the one I have on one of my altars. Holy Prayer Cards For the Prayer to Saint Expedite In English

2. 7 day - Red Candles - Any 7 day Red Candles will do.

3. A glass of Water

All these will be placed on the Altar. I will show you how to setup the altar momentarily.

In general, the best day to call upon Saint Expedite is on Wednesday for it is the day of Mercury who was the messenger God in the Roman Pantheon.
VERY IMPORTANT:
When he grants your request, You MUST give him an offering. If you don't, he can take away everything he has given you and then some. You can give one or all of these offerings to Saint Expedite when he completes your favor. However, the last item is A MUST.

Most common offerings are:

5 pennies. I give 5 quarters, it just seems right to me.

5 pieces of pound cake. Any brand will do but some folk legends say Sarah Lees is best. I for one use any I can find. I like using the Small hand sized cakes.

A Red Rose

A Glass of Red Wine

And perhaps most importantly, you MUST announce to the world that Saint Expedite helped you. If you have a blog you can do it there. You can also create a YouTube video as well since others have done this too as a way to show thanks. I simply announce it on the most popular tribute page for the Saint. http://saintexpedite.org/tribute.html
The Ritual:
Steps:
Start this on a Wednesday if at all possible.
1. Setup the altar and light the candle

   RED CANDLE

   GLASS OF WATER  STATUE OF EXPEDITE

2. Say the following prayer:
"I call forth the Power and the presence of St. Expedite in my time of financial trouble. I offer my body, heart, mind and soul upon your altar of light. I have faith and trust and complete confidence that you will be my strength in this time of need. Quickly come to my assistance. Bring to me ____________ (Clearly express what you want, and ask him to find a way to get it to you.)
My financial need is urgent. Be my Light and Guide in this situation so that I may live with peace, love, prosperity and abundance and in the Praise of God.
Amen."

Prayer Sources: http://saintexpedite.org/prayers.html

Now make sure to state what you will give him in return for your request
This ritual should be done once a day at the very least. Please allow the candle to burn through. **But make sure you do not leave candles burning unattended.** If your request has not been fulfilled after the 7 day candle is out, please light a new one. Keep this going until St Expedite has fulfilled your request.

For more on Saint Expedite, please take a look at my book *The Magick of Saint Expedite: Tap into the Truly Miraculous Power of Saint Expedite.*
Ritual 5 – Using A Demon of the 72 demons of the Name for Riches

A little about The 72 Names: In my book 72 Demons Of The Name: Calling Upon The Great Demons Of The Name (Sacred Names) (Volume 5) In Hebrew, the word from demon is "Shedim". The word shedim can be found only 2 times in the old testament. (In English, of course they are translated as demons.)
The first time it is mentioned is in Deuteronomy 32:17 ” They sacrificed to demons (shedim), which have no power, deities they did not know, new things that only recently came, which your forefathers did not fear.”
The second time they are mentioned is in Psalms 106: 35-39 " And they mingled with the nations and learned their deeds. 36. They worshipped their idols, which became a snare for them. 37. They slaughtered their sons and daughters to the demons (shedim). 38. They shed innocent blood, the blood of their sons and daughters whom they slaughtered to the idols of Canaan, and the land became polluted with the blood. 39. And they became unclean through their deeds, and they went astray with their acts.”
We won't get into great detail as to the origin of the word Shedim, but just know it is most probably derived from the Assyrian term "Sedim" which were guardian spirits. It is in this spirit we will use one these great demons.
What You will need for this Ritual:
1. A Book of Pslams
2. An offering of egg or meat.

The Ritual

(26.) BUNE, or BIMÉ.-- He giveth Riches unto a Man, and maketh him Wise and Eloquent. He giveth true Answers unto Demands.
LET US BEGIN:
1. Say Psalms 91
2. Think of your need to gain material abundance. He will also show you how to become rich
3. Place the offer of the Meat or Egg on the altar
4. Pronounce the Name **BYUNE**
5. Tell the Demon What you Want
6. Finish with saying "Let it Be done"

To learn more about the 72 demons, please check out my book *72 Demons Of The Name: Calling Upon The Great Demons Of The Name (Sacred Names) (Volume 5)*
Ritual 6 – Calling On the Mother Mary for Financial Support

In my book Mary Magick, I go into some depth about Mary and how you can call upon her for financial help. Some may say that it is sacrilege to call upon Mary in a magickal way, but in essence, she is the embodiment of the great feminine and magick is a most appropriate way to call upon her. Throughout time, humanity has been obsessed with the divine feminine. One need only look back in history to see that the first religions that ever were, were ones that had a strong feminine principle at the center. As society changed so did the religions of the world. With time it became more and patriarchal and slowly but surely the Feminine principle began to wane in importance. However, this was not universal. In Ancient Egypt, the great goddess Isis was revered on par with male gods of the pantheon. In fact, the template for much of the Marian imagery are derived from Ancient Egypt.
What You Will Need:
1. A "picture" or statue of the version Mary. You can print one that suits your fancy online, or you can purchase the statue I use here "Design Toscano Mary"
2. The following Incense: Frankincense and Myrrh (Any brand of this incense will do)
3. The following Candles: Gold Candles
4. A secure plate or candle holder to hold the candles. Since the ones I recommend vary in size you can use the a make or brand of your choosing. Just make sure to find one that will hold these candles and will allow for safety (NEVER LEAVE CANDLES BURNING UNATTENDED)
5. An Incense holder. (NEVER LEAVE INCENSE BURNING UNATTENDED)
The Ritual:
DAY OF WEEK: WEDNESDAY AND OR FRIDAY

Please setup a place in your abode that you can dedicate to this ritual. If you have an altar, that is superb but if you don't, any place in your home where the ritual can be performed is good too.

1. Place the picture of statue of Mary at the Center.
2. To the left of the image, place the gold candle and light it.
3. To the Right, place the Mary Candle and Light it.
4. In the back, please light the incense.
5. Sit quietly and think about your need for financial wellbeing and abundance
6. Say the following Prayer:

"Blessed Mother Mary, You are the lady of Perpetual Help not only in spiritual matters but also in earthly matters, I approach you with a humble heart, because I have confidence in your power and goodness. I pray to you to assist me in my financial distress. I am in dire need, I am unable to meet my obligations. I Beseech you for assistance which will enable me to satisfy my obligations. I believe, Holy Mother, that you are the Queen of heaven and of earth, and, as such, the instrument of the divine over all creation. I believe that you are not only rich and bountiful, but also loving and generous to all your children. I plead with you then, dear Mother, to obtain for me the help I so urgently need in my present financial difficulty.

I thank you holy mother, and promise to let everyone know of the financial miracles you have bestoed upon me. AMEN"

7. Now look at the image or statue intently and feel her presence resonate with you. You may notice that the image takes up your entire visual field. Sit with that for as long as you wish.
8. When you are satisfied, you may let the candles and incense burn to completion. (Please be sure not to leave them unattended. If you need to leave your abode, you may extinguishing them and ignite them upon your return.)

Thus concludes this ritual. For more on Mary and her rituals please take a look at my book Mary Magick.
Ritual 7 – Calling On the Hidden Names of God

In *The Hidden Names Of Genesis: Tap Into The Hidden Power Of Manifestation (Sacred Names Book 4)* I discuss names of God that not many people know about. They are hidden with the first few verses of Genesis. Who discovered these names is unknown, but this secret has passed along from generation to generation amongst a very small group of people who are steeped within this great and most perfect science of the occult mysteries. At first this was passed down through devote Jewish Kabbalists, but then spread out to mystic Christians as well around the high middle ages. As I said, you will not find any mention of this online. I learned of this by mere chance. I have a friend who is one of the most famous writers on Kabbalah in modern times. He, himself, is not a mystic but he has access to all things Kabbalah. I was astonished to see some of the original works that he has. For the sake of this text I cant mention his name, but if you look closely at the books that are available on Kabbalah these days, you will most certainly see his name. When I saw the information about the 6 names of God in genesis I asked him why he didn't write a book on it. He was not interested and wanted to focus more on the history of Kabbalah and not practical application. Fair enough. So now, I will write it here.
What You Will Need:
No Special props needed.

Ritual 8 - Calling Upon the 42 Letter name of God for Abundance.

In The 42 Letter Name of God: The Mystical Name Of Manifestation (Sacred Names Book 6) I explain in detail what these 42 names are. It has a rich tradition in the Kabbalah. The prayer in question is called "Ana Bekoach". This prayer was written around the 1 or 2 century AD by mystical rabbi named Rabbi Nehonia. The prayer is composed of 7 lines that contain 6 words in each line. Each line bestows certain powers. Within each line contains several letters that together create the 42 names of God. The first letter of each word in the prayer together, composes the name of God. (I will illustrate this shortly). This prayer is of utmost importance because within that name, the powers of all of creation is present. Like the Hidden name in Genesis I discussed in the previous ritual, this name too helps you take into the very power of creation and manifestation.
What You will Need: No Special props required.
The Ritual: Although this ritual is more for attaining goals, it can help with financial goals as well and that is why I am adding it to this book.

Please take a moment and relax
While Looking At the letters, think about the goal you want to achieve.
Pronounce BAH-TAR TZA-TAG
Now imagine the letters pulsating with energy around you. Visualize the goal the desired outcome.
Once you feel that it has worked. You can stop the ritual. Do this as often as you like. PLEASE DO THIS RIGHT BEFORE YOU ARE PERFORMING AN ACTIVITY RELATED TO YOUR ULTIMATE GOAL. IT WILL GIVE YOU MOTIVATION.
To learn more, please read my book The 42 Letter Name of God: The Mystical Name Of Manifestation (Sacred Names Book 6)
Ritual 9 - Calling Upon Your Quantum Self for Prosperity

In my book *The Quantum Magician: Enhancing Your Magick With A Parallel Life* I discuss a novel way to enhance your magick. Quantum jumping is essentially a visualization technique, but here is the difference. Instead of visualizing yourself preforming magic or whatever it is you want to achieve; you tap into alternative versions of yourself that exist in parallel universes. This might sound farfetched, but it is far more effective than traditional visualizations and who is to say if you are not truly jumping into another universe in your mind when you do a quantum Jump? If you look online you will see that several hundred thousand people have used quantum jumping and many of them have achieved their lifelong goals, many have developed talents they previously did not have, all by tapping into an alternative self that already possessed those talents. Do you see how this could be of use to you?
What You Will Need:
Here is a list of things that will help you with your rituals.

**Frankincense and Myrrh**: This Incense is a wonderful sacred fragrance and was once more precious than gold. It was so valuable that people would rather it than gold itself. I find the fragrance holy and fitting for this work.

**Gold Candles**: This candle will be used for the ritual on financial assistance. Many occultists will tell you to use green, but this has been a long-held misconception. The only reason why people have said to use green is because it's the color of money. The thing is, it's only the color of money in the USA and maybe a few notes here and there of other nations. They don't call the dollar “greenback" for nothing. Green is not a color that is truly indicative money. Gold is though, Gold is UNIVERSALLY known to be a signifier of wealth both in ancient times and present. If you have been using Green for your money rituals, now you know to use gold instead. It is much more effective.

A Notebook to record any messages you might receive. I use this one only because I love the aesthetic, **Vintage Dark Green PU Leather Cover Loose** any notebook or pad will do. (Optional) **A Sony Digital Flash Recorder** (or other digital recorder). I use this at times when I do not want to write. Sometimes writing can be distracting, especially if the message is long. You may want to record yourself during the quantum jump. I just happen to like the **Sony Digital Flash recorder**. ..Any brand will do.
The Ritual:
- Say a prayer of intention if you like.
- Light incense and gold candle.
- Think of the issue you are having. Do you owe money? Or do you want general prosperity?
- State the intention that you wish to meet your parallel who is already wealthy.
- Sit with your eyes closed and breathe deeply
- Once relaxed, picture yourself walking through a hallway with many doors, each door represents one of your parallel lives.
- Pick the door you are most drawn to and open it.
- Step into the room, it may transform into another scene; the most important thing is to step through the door.
- Find your parallel and greet it. Ask it what it is you need. What does he or she look like? Is he or she wealthy?
  - Ask it how it became wealthy? Does what he or she say resonate with you?
- Make sure you have a pen or the recorder handy to record your results.
- Now slowly meld with this parallel you and feel his or her power enter your body and mind. Now open your eyes.
  - You now have the information and abilities to gain prosperity.

This is a very easy one to do, do it as often as you wish. If you want to learn more, please read The Quantum Magician: Enhancing Your Magick With A Parallel Life.
Ritual 10 - Using The Tarot for Wealth

In my book *Tarot Magick: Harness the Magickal Power of the Tarot* I teach you how to easily use the Tarot in your rituals. In the book, I did not focus on tarot cards as a source of knowledge about the future, there are plenty of good books about that. We will be dealing with the tarot cards in a different way, we will be using them as a driving force for magickal practice. It is a fair assessment to say that Tarot card symbology is quite powerful and aside from divination it can be driving engine for magick.

**What you will need:**

1. **Tarot cards:** I have several Tarot card decks, many I have because of their beautiful artwork. Here are a few that I recommend.
   - The Original Rider Waite Tarot Pack
   - The Hermetic Tarot
   - The Witches Tarot
2. **Incense:** *Frankincense and Myrrh incense*. This is a beautifully sacred fragrance and I use it in almost all my rituals, across all forms of magick that I practice.
3. **Candles:** Like in most rituals, there are candles involved. Here are a few you will need. I used to get them individually but I found an amazing source that sells 10 candle colors, 4 of each for a total of 40 candles for an excellent price. I just discovered them and will use them from now on. The colors are red, pink, orange, yellow, green, blue, purple, black, white and violet. **“Spell Candles (40 candles)”** I will indicate the colors below and their meanings.
   - **Red:** This candle is for love and personal power.
   - **Pink:**Faith, devotion and tenderness.
   - **Orange:** For energy, success, cleanses negativity, creates motivation.
   - **Yellow:** Confidence, power, knowledge and healing.
   - **Green:** Nature and connection to nature. Attracts bodily healing and promotes growth in all ways.
   - **Blue:** Spirituality, Harmony at oneness and divinity.
   - **Purple:** Success, the attainment of all desires. Psychic powers and the acquisition of mystery knowledge.
   - **Black:** Change, protection, black magick, to banish negativity of all sorts be it mental or spiritual in nature.
   - **White:** Purity, higher consciousness, peace, truth and unity.
   - **Violet:** High levels of spiritual attainment and power. Will help increase magickal ability.

In this case we will be using only the Orange and yellow candles.
The Ritual

1. Place the **Empress card** at the center of the altar.
2. Pick up the card and think about the intention you have for this ritual.
3. Say the prayer to the spiritual guardians of the tarot. You may use your wording, this is just an example that I use.
   
   “Hear me Oh Great Guardians of the Tarot, harness me the power of this card, the card of manifestation that I may be blessed and bestowed with material abundance for the good of all. May this card attract to me abundance now. So Mote it me.”

4. Place the card back in its spot.
5. From the same deck, randomly pull out 5 cards. Place those cards in such a way that they encircle the main card. As seen below.
6. Place the **orange and yellow** candle right before the 1st card. As seen below. You can light and place the incense wherever you like. The incense is more for the ambience.
7. Visualize a white light coming and encircling the main card.
8. Sit in silence and think about your intended outcome.
9. Take out a tarot card book and read the descriptions of the 5 cards that are encircling the main card. Does it give you any insight into your issue?
10. Thank the spiritual guardians of the tarot and release them.
11. For the next 10 days, carry the **Empress** card with you wherever you go. Place it under your pillow at night. Every time you touch it, think of your intention.

That concludes the ritual.

Ritual 11 - Using The Ouija Board and The Archangels for Prosperity.

In my book *Ouija Board Magick - Archangels Edition: Communicate And Harness The Power Of The Great Archangels* I discuss a novel way of calling upon the archangels for various issues in your life. In essence, what the Ouija board is, is a method of automatic writing. A phenomenon that entails a spiritual entity guiding ones hands to form sentences and writing with specific messages. It's a very popular mode of spiritual communication and is used extensively to this day. Many Channeled works are either directly using automatic writing or have been influenced by it.

**What You Will Need:**

1. **Ouija Board**, I suspect that is the most obvious. The *"Classic Ouija Board"* will do. You can even make your own if you like. I use the standard classic. I do intend to create my own at some point. If you are interested please write to resheph@baalkadmon.com if you would be interested in one I will create.

2. **Novena cards or statues of the angels.** I just happen to have this statue of Metatron the angel we will be using.

A. **Metatron Bronze Statue**

The Statue is a little costly. However, You can use any ones you like, even just pictures of the angels. It really doesn't matter. I just like to use them because it helps me focus my attention and these are very nice depictions.

3. **Frankincense and Myrrh:** This Incense is a wonderful sacred fragrance and was once more precious than gold. It was so valuable that people would rather it than gold itself. I find the fragrance holy and fitting for this work.

4. **Candles:** *(Please note you can buy any kind of candle you like, they don't have to be chimes or votive. I just happen to like the ones I provided here)*

   **Gold Candles:** This candle will be used for the ritual on financial assistance. Many occultists will tell you to use green, but this has been a long-held misconception. The only reason why people have said to use green is because it's the color of money. The thing is, it's only the color of money in the USA and maybe a few notes here and there of other nations. They don't call the dollar “greenback" for nothing. Green is not a color that is truly indicative money. Gold is though, Gold is UNIVERSALLY known to be a signifier of wealth both in ancient times and present. If you have been using Green for your money rituals, now you know to use gold instead. It is much more effective.
**Silver candles**: This is the of wisdom and will be used for ritual on divine wisdom that only certain angels can bestow. As well as for magickal powers.

4. **Any bible with a book of Psalms will do.**

5. **A Notebook to record any messages you might receive.** I use this one only because I love the aesthetic, [Vintage Dark Green PU Leather Cover Loose](#) any notebook or pad will do.

6. **(Optional) A Sony Digital Flash Recorder** (or other digital recorder). I use this at times when I do not want to write. Sometimes writing can be distracting, especially if the message is long. You may want to record yourself as angelic messages come through you. I just happen to like the [Sony Digital Flash recorder](#). ..Any brand will do.
The Ritual:

Angel Metatron - Material Abundance
ON ANY DAY YOU LIKE
LET US BEGIN
Altar setup

Incense

Candles  Angel Statue Or Image  Candle

Ouija Board

1. Light the Gold and Silver candles and the incense
2. Open to Psalms 85
3. Keep notebook or recorder at hand
4. Sit with the candles, incense and angelic image, just take it in. Feel the peace.
You, Lord, showed favor to your land; you restored the fortunes of Jacob.

You forgave the iniquity of your people and covered all their sins.

You set aside all your wrath and turned from your fierce anger.

Restore us again, God our Savior, and put away your displeasure toward us.

Will you be angry with us forever? Will you prolong your anger through all generations?

Will you not revive us again, that your people may rejoice in you?

Show us your unfailing love, Lord, and grant us your salvation.

I will listen to what God the Lord says; he promises peace to his people, his faithful servants—but let them not turn to folly.

Surely his salvation is near those who fear him, that his glory may dwell in our land.

Love and faithfulness meet together; righteousness and peace kiss each other.

Faithfulness springs forth from the earth, and righteousness looks down from heaven.

The Lord will indeed give what is good, and our land will yield its harvest.

Righteousness goes before him and prepares the way for his steps.
6. Invoke the Angel "Oh Mighty Archangel Metatron come to me, I know that the manifestation of Material abundance is easy for you. Please bless me with material abundance for my good and the good of all Amen.

7. State the intention of your ritual
8. Place your hands on the Ouija board
9. Take Heed of what the angel tells you through the Ouija Board. He might give you an idea for a business for guidance on how to enhance you material wealth. Please do not fear, he will help you manifest it for the good of all.
10. Thank the angel and bid it leave in peace.

You may sit with the Ouija board past this point to see if you get other insights.

Ritual 12 - Using One of the 99 Names of Allah for wealth

In my book The 99 Names Of Allah: Acquiring the 99 Divine Qualities of God (Sacred Names Book 3) I discuss these very powerful names of Allah. According to the traditions of Islam, the prophet Mohammed used several names to called upon God. Most of these names can be found in the Quran and a few others in the extracanonical texts of Islam called the Hadith. Although technically there are more than 99 names throughout these texts. The 99 names or the Asma Allah al-husna are considered special. The great Sufi Mystic Ibn Arabi stated that the 99 names of Allah are the outward signs of the inner most mysteries of all creation. It is for this reason I have written this book. To tap into their amazing power.
What You will need: No special props required.

The Ritual
This is simple enough, recite this name 100 times a day or even throughout the day until your outcome is achieved.

AL-MA-LEEK

**BENEFIT:** By reciting this name, you will gain financial abundance

That is all there is to it, those are some of the prosperity rituals from my books, in the next chapter I will teach you a very powerful ritual from an upcoming book.
Bonuses Ritual For Wealth

In this chapter I will introduce you to a very powerful abundance ritual from an upcoming series on “Earth Magick” that I will be Coauthoring with my consort Asherah. She is a very gifted magician and has honed earth magick down to perfection. Hope you enjoy.

What you will need:
- White Candle (Any will do)
- A Shallow Bowl
- Pitcher of Water
- A wine glass (Any glass will do but a wine glass is more suited for this ritual and gives it a bit more power)
- 3 quarters or equivalent in your respective currency.
Ritual: (Pictures below)
Preferably during a new moon or during the waxing cycle.
- Light Candle
- Place the Wine glass in the bowl
- Pour water from the pitcher to the very edge of the wine glass.
- Drop the 3 quarters in the wine glass.
Say the following Prayer:
“With these quarters three
I do envoke the magic be
Generosity flows from my hands
Prosperity comes upon demand

See this cup over flow
As I give - so do I sow
What I give comes back to me
Thousand-fold by the powers that be”
- Asherah
Over the next 3 days, add a quarter or other coin into the wine glass. Also, you must do at least 3 good deeds in this time. Perhaps give a dollar to charity, offer to help someone with something. I (Baal) give a little charity every day over the 3 days.

When the 3 days has elapsed, give the money that is in the wine glass to charity and pour the water into a plant or somewhere in nature ideally.
